The Degree of Master of Science in Nursing

The College of Nursing offers three Master of Science in Nursing (MSN) degrees. The MSN in Nursing Education is for baccalaureate degree nurses that wish to serve as nurse educators. The MSN in Family Nurse Practitioner is for baccalaureate degree nurses who wish to pursue a career as a Family Nurse Practitioner. Forensic nursing is one of the newest specialty areas which is gaining momentum nationally and internationally. Forensic nursing practice is the application of nursing science to public or legal proceedings. The Masters degree is approved by the Coordinating Board and expects to open for applications in 2017.

Locations

The College of Nursing educates students at two locations: Bryan/College Station and Round Rock, Texas. The Bryan/College Station campus opened in 2010 and serves as the headquarters of the Texas A&M Health Science Center College of Nursing. The 200-acre campus is located along State Highway 47 approximately three miles west of the main campus of Texas A&M University. In 2009, the College of Nursing opened a new facility in Round Rock providing a state-of-the-art 134,000-square-foot structure with classrooms, a simulation center, library, study lounge, student services and faculty offices. Additionally, the College of Nursing has two advising locations, Lufkin and McAllen, Texas.

Bryan/College Station Campus
