

# SPSY - SCHOOL PSYCHOLOGY

## SPSY 610 Child Psychopathology

**Credits 3. 3 Lecture Hours.**

Major forms of psychopathology and behavioral disorders in children and adolescents; concepts of child psychological disorders; application of multiple theoretical models; understanding of the development context in which these orders exist.

**Prerequisites:** Graduate classification; approval of department head.

## SPSY 611 Introduction to School Psychology: Legal, Ethical and Credentialing Issues in School Psychology

**Credit 1. 1 Lecture Hour.**

History of professional psychology with emphasis on school psychology; legal, ethical and credentialing issues in psychology; scholarly writing; models of providing clinical child and special educational services. May be taken up to three times for credit.

**Prerequisite:** Graduate classification; approval of department head.

## SPSY 612 Individual Assessment of Children's Intelligence

**Credits 4. 3 Lecture Hours. 2 Lab Hours.**

Individual Assessment of Children's Intelligence. Educational and clinical applications of individual assessment; diagnostic measures of intelligence, achievement, language and perception; videotaping of student test administration is required for purposes of supervision and self-evaluation. Limited to 12 students per semester.

**Prerequisites:** Approval of instructor; approval of department head.

## SPSY 613 Crisis Intervention in the Schools

**Credits 3. 3 Lecture Hours.**

Fundamentals of school-based crisis intervention; emphasis on personal and situational crises, and the development and implementation of crisis intervention and prevention plans within the school setting; differing models of crisis intervention, models of coping with crisis and critical incidents, and the efficacy of crisis intervention.

**Prerequisite:** Graduate classification.

## SPSY 614 Integrated Assessment Practicum

**Credits 3. 1 Lecture Hour. 6 Lab Hours.**

Student test administration competencies and a minimum of 150 hours of supervised experience in administration, analysis and reporting of individual diagnostic instruments.

**Prerequisites:** SPSY 612 and SPSY 617.

## SPSY 615 Preschool Assessment

**Credits 3. 3 Lecture Hours.**

Assessment of infants and young children (birth to 5 years of age); requires extension of the diagnostic skills gained in other coursework to applications for early intervention and child find with younger children; measures/methods will include norm-referenced, criterion referenced, and play-based/observational methods used in the assessment of infants and young children.

**Prerequisites:** SPSY 612 and approval of instructor.

## SPSY 617 Emotional Disturbance in Children

**Credits 3. 3 Lecture Hours.**

Diagnostic procedures and techniques in personality assessment and identification of emotionally disturbed children and youth.

**Prerequisite:** SPSY 610; SPSY 612; SPSY 642.

## SPSY 620 Interdisciplinary Seminar in Prevention Science

**Credit 1. 1 Lecture Hour.**

Contemporary research programs that represent the interdisciplinary field of prevention science; strengths and limitations of diverse theoretical and conceptual bases of research in prevention science; application of research findings to issues related to the prevention of mental, emotional, and physical health problems and the promotion of well-being. May be taken 3 times for credit.

**Prerequisite:** Graduate classification and enrollment in the interdisciplinary graduate certificate in prevention science or approval of instructor.

**Cross Listing:** COMM 671, HLTH 671 and RPTS 620.

## SPSY 627 Culturally Responsive Interventions: Models for Making Cultural Adaptations to Interventions

**Credits 3. 3 Lecture Hours.**

Introduction to literature that demonstrates the need to adapt evidence-based interventions for use with culturally and linguistically diverse populations; different models for making cultural adaptations; identify ways to ensure fidelity and integrity of interventions even after cultural adaptations are made; adaptations for populations with diverse home culture, language, race, sexual orientation, developmental abilities or SES.

**Prerequisites:** Graduate classification or approval of advisor.

## SPSY 628 Consultation: Theory and Techniques

**Credits 3. 3 Lecture Hours.**

History and theory of various models of consultation including mental health, behavioral and organizational development; skills and techniques necessary for effective consultation; relevant research issues.

**Prerequisites:** Approval of department head; graduate classification.

## SPSY 638 Systems Consultation and Prevention Science

**Credits 3. 3 Lecture Hours.**

Theory, research and practice in prevention science with an emphasis on individuals from birth to age 21; understanding and application of theories and methods of prevention science.

**Prerequisite:** Approval of department head; graduate classification.

## SPSY 641 Child Therapy for School Behavior Problems

**Credits 3. 3 Lecture Hours.**

Selected therapy approaches for treating childhood behavior disorders that interfere with children's interpersonal and intrapersonal adjustment and school learning; play therapy, behavior therapy, cognitive therapies; case studies; observation of therapy cases in public and/or mental health settings.

**Prerequisites:** SPSY 610; approval of department head.

## SPSY 642 Behavioral Assessment and Intervention

**Credits 3. 3 Lecture Hours.**

Overview of contemporary behavior theory and applied behavior analysis; overview of behavioral assessment strategies with an emphasis on the systematic observations of behavior and interviews; and contemporary behavior therapy approaches for use with educators, children, and their families.

**Prerequisite:** Graduate classification and approval of department head.

**SPSY 643 Academic Assessment and Intervention**

**Credits 3. 3 Lecture Hours.**

Developing effective and appropriate interventions for school-based academic concerns; collecting and interpreting data from informal academic assessments and observations for intervention development and evaluation; using curriculum-based assessments for monitoring student's academic programs and teacher decision making; understanding effective instructional strategies and their application to academic interventions.

**Prerequisite:** Graduate classification and approval of department head.

**SPSY 644 Child Therapy: Advanced Theory and Techniques**

**Credits 3. 3 Lecture Hours.**

Supervised experiences in public and mental health settings in the application of psychotherapy techniques with children, adolescents and families; interviewing techniques; process of therapy; advanced theoretical foundations; case management.

**Prerequisites:** SPSY 641 and approval of department head.

**SPSY 645 Social and Emotional Development and Intervention**

**Credits 3. 3 Lecture Hours.**

Theories of how children develop in the areas of social and emotional learning, recent empirical findings in the area of social and emotional development; preventive and remedial interventions for social and emotional difficulties.

**Prerequisites:** Graduate classification; approval of department head.

**SPSY 657 Bilingual Psychoeducational Assessment**

**Credits 4. 3 Lecture Hours. 2 Lab Hours.**

Theory of second language acquisition; discrete point and descriptive approach to language assessment; achievement assessment; cognitive assessment and practical and cultural factors when assessing bilingual children.

**Prerequisites:** SPSY 612; approval of department head.

**SPSY 682 School-Based Externship**

**Credits 3 to 6. 3 to 6 Other Hours.**

Application of knowledge and skills obtained through coursework including assessment for intervention; direct interventions such as counseling and behavior management; indirect services such as consultation, in-service, program evaluation; includes a variety of school psychologist activities with children with and without disabilities of all ages; activities occur under the supervision of field and university supervisors.

**Prerequisites:** Graduate classification; SPSY major; approval of department head; approval of course instructor.

**SPSY 683 Field Experience/Externship in School Psychology**

**Credits 1 to 15. 1 to 15 Other Hours.**

Faculty supervised experience in professional employment public and mental settings in school psychology. May be taken up to 30 hours.

**Prerequisite:** Approval of instructor and department head.

**SPSY 684 Professional Internship**

**Credits 1 to 4. 1 to 4 Other Hours.**

Limited to advanced doctoral students; faculty supervised experience in approved professional employment settings. Applications for September assignments must be approved the previous October. May be repeated up to 9 hours.

**Prerequisites:** Completion of required substantive coursework; approval of instructor and department head.

**SPSY 685 Directed Studies**

**Credits 1 to 4. 1 to 4 Other Hours.**

Directed individual study of selected problems.

**Prerequisite:** Approval of department head.

**SPSY 689 Special Topics in...**

**Credits 1 to 4. 1 to 4 Lecture Hours.**

Selected topics in an identified area of school psychology. May be repeated for credit.

**Prerequisite:** Approval of department head.

**SPSY 691 Research**

**Credits 1 to 23. 1 to 23 Other Hours.**

Research for thesis or dissertation.

**Prerequisite:** Approval of department head.
