Mays Business School offers a degree in University Studies with a concentration in business.

A University Studies degree differs from a traditional major in that it consists of a concentration and two minors of 15-18 hours each. The business concentration provides a solid foundation in basic aspects of business including:

- Accounting
- Management Information Systems
- Finance
- Management
- Marketing
- Supply Chain Management

The University Studies degree format was created to provide students the flexibility to combine areas of study that are of special interest.

**Majors**

- Bachelor of Science in University Studies, Business Concentration (http://catalog.tamu.edu/undergraduate/business/university-studies-bs)
