Master of Public Health

Degree Programs

- Masters of Public Health Programs
- Masters of Public Health and Masters of International Affairs Combined Degree Program*
- Masters of Public Health and Juris Doctor Combined Degree Program**

Application Fee
Schools of Public Health Centralized Application Service (SOPHAS) - fee of $140

Previous Degree
Must hold baccalaureate degree or higher from a regionally accredited college or university (degrees from institutions outside the US are evaluated for equivalency to US degree)

Undergraduate Cumulative GPA
The following programs have a minimum cumulative GPA requirement:
  - Epidemiology: 3.0
  - Biostatistics: 3.0
  - Health Promotion and Community Health Sciences: 2.75

Admission Test
A GRE score is not required for application to the MPH program.

Other standardized tests may be required for combined degree programs.

International Requirements
English Proficiency Requirements: Citizens of certain English speaking countries are exempt from the English Language Proficiency (ELP) requirement (refer to the list on the TAMU Office of Admissions website). If the applicant is not from a country on the exempt list of countries, the applicant is required to submit official scores that meet the minimum ELP requirement or meet the Alternative Verification criteria for Texas A&M University School of Public Health. For an applicant to meet English language proficiency by examination, this must be met by one of the criteria below:
  - GRE: 153 verbal score or higher (taken within 5 years of application submission)
  - TOEFL: 95 Internet based examination (i-BT) (taken within 2 years of application submission)
  - IELTS: 7.0 on overall band (taken within 2 years of application submission)
  - TOEFL Essentials test: overall band score of 10 or higher (taken within 2 years of application submission)

Other Requirements
See individual department for additional specific requirements.

*MPH/MIA program only available for Health Promotion and Community Health Sciences, and Health Policy and Management concentrations.
