

INTERNATIONAL AGREEMENTS

Texas A&M University has a long history of cooperation and collaboration with global partners to build educational programs, conduct critical research, and develop innovative solutions for global problems.

International academic collaborations at Texas A&M University might exist at multiple levels, including at the department or research center level, the college level, or the university level.

For information regarding international partnerships, visit the Global Engagement (<https://global.tamu.edu/>) website list of current University partners or email globalsupport@tamu.edu.

All current (as of March 7, 2024) agreements with foreign institutions are as follows:

Argentina

Universidad del Salvador¹ (2014)

Armenia

Armenian Agriculture Consortium (2012)

Australia

CQ University (2019)
