Head: J. Benjamin

PhD Advisor: N. Sharp

MS Advisor: M. Shaub

The Department of Accounting offers graduate studies leading to the MS and PhD degrees, and coursework supporting Mays Business School’s several Master’s-level degrees, such as MBA, MS-Finance, etc. The MS-Accounting degree provides the necessary coursework for students who wish to enter public accounting or corporate accounting/finance fields. The department also offers an integrated Professional Program that students enter in the junior year of the BBA program. Graduates of the Professional Program of Accounting receive a Bachelor of Business Administration degree and an MS degree in a business discipline. The PhD program is designed to prepare students for careers in teaching and research. Additional information, including specific departmental requirements, may be obtained by contacting the master’s student advisor or the doctoral student advisor in the Department of Accounting.

Please be advised that Texas A&M offers many programs that lead to an occupational license as defined under Texas Occupations Code 58.001. Licensing authorities may have guidelines concerning prior criminal convictions that would make an individual ineligible for issuance of a given license. Applicants are encouraged to review all eligibility requirements related to degrees resulting in a license. Note the following:

- An individual who has been convicted of an offense may be ineligible for issuance of an occupational license.
- Licensing authorities must establish and make available guidelines explaining why a particular offense is considered a basis for ineligibility for a particular license and other criterion that may affect the decision to grant or withhold a license.
- An individual has the right to request a criminal history evaluation letter regarding their eligibility for a license issued under Texas Occupations Code 53.102.

Questions related to eligibility requirements to take the CPA examination in Texas should be directed to the Texas State Board of Public Accountancy (http://txrules.elaws.us/rule/title22_chapter525_sec.525.1) (or the licensing authority in other jurisdictions).
