The Master of Science in Quantitative Finance (MSQF) program is offered by the Department of Finance, College of Business, Texas A&M University – College Station. The MSQF program is designed to provide advanced training in quantitative finance for students who have completed the prerequisites earning a grade of B or higher by the end of Texas A&M University – College Station Summer I Term. For more information, visit https://mays.tamu.edu/graduate/masters/4plus1/ms-quantitative-finance/.

The doctoral program in finance brings the PhD student to the leading edge of knowledge in the field. Rigorous coursework and research activities provide the student with an in-depth understanding of the theoretical, conceptual, and managerial foundations of finance. In addition to possessing a thorough and comprehensive knowledge of the field, students who successfully complete the doctoral program can demonstrate advanced competencies for conducting quality research, directing research of others, and communicating research findings through teaching and publication.
