APPLIED BEHAVIOR ANALYSIS - CERTIFICATE

The Department of Educational Psychology offers a Certificate in Applied Behavior Analysis which is designed for school-based professionals, direct service providers, job coaches, or family members seeking skills to support individuals with challenging behaviors, autism spectrum disorders, developmental disabilities, or other unique needs that require behavioral interventions. Coursework offered is necessary to sit for the Board Certified Behavior Analyst (BCBA)® examination*. The coursework consists of courses in Applied Behavior Analysis (ABA) and is approved by the Behavior Analyst Certification Board (BACB), Inc.®.

This program is also approved for delivery via asynchronous or synchronous distance education technology.
