

MASTER OF SCIENCE IN ARTIFICIAL INTELLIGENCE

The Master of Science in Artificial Intelligence (MS-ARIN) degree program equips students with advanced skills in AI, machine learning, and ethical decision-making, empowering them to create innovative solutions and lead AI initiatives across industries.

Additional Requirements

Additional Requirements

- Residence (p. 1)
- Continuous Registration (p. 1)
- Time Limit (p. 1)
- Foreign Languages (p. 1)
- Internship or Practicum (p. 1)
- Application for Degree (p. 1)

Residence

On-Campus Degree Programs

A student must complete 12 credit hours in resident study at Texas A&M University to satisfy the residence requirement for the Master of Artificial Intelligence degree.

Students who are employed full-time while completing their degree may fulfill total residence requirements by completion of less-than-full time course loads each semester. In order to be considered for this, the student is required to submit a Petition for Waivers and Exceptions along with verification of his/her employment to the Graduate and Professional School.

See Residence Requirements (<https://catalog.tamu.edu/graduate/academic-expectations-general-degree-requirements/#degree requirementstext>).

Distance Education Degree Programs

The distance education modality does not have any residence requirements.

Continuous Registration

On-Campus and Distance Education Degree Programs

A student in the thesis option of the Master of Science program who has completed all coursework on an approved degree plan other than 691 (Research) is required to be in continuous registration until all requirements for the degree have been completed.

See Continuous Registration Requirements (<https://catalog.tamu.edu/graduate/academic-expectations-general-degree-requirements/#registrationandacademicstatustext>).

Time Limit

On-Campus and Distance Education Degree Programs

All degree requirements must be completed within a period of seven consecutive years for the degree to be granted. A course will be considered valid until seven years after the end of the semester in which it is taken. Graduate credit for coursework which is more than seven

calendar years old at the time of the final examination (oral or written) may not be used to satisfy degree requirements.

Foreign Languages

On-Campus and Distance Education Degree Programs

No specific language requirement exists for the Master of Science in Artificial Intelligence degree.

Internship or Practicum

On-Campus Degree Programs

A student who undertakes a professional internship must return to the campus. Internship hours are in addition to the required 30 credit hours.

Distance Education Degree Programs

Students in distance degree programs do not have internship or practicum related requirements.

Application for Degree

On-Campus and Distance Education Degree Programs

For information on applying for your degree, please visit the Graduation (<https://catalog.tamu.edu/graduate/academic-expectations-general-degree-requirements/#degree requirementstext>) section.
