Graduate credit for coursework which is more than seven calendar years old may not be used to satisfy degree requirements.

**Scholastic Requirements**

A student on academic probation must raise his/her cumulative GPA to 3.000 or above by the end of the next 9 hours of coursework or within one calendar year, whichever comes first. If this requirement is not met, the METM Program Director will recommend that the Graduate and Professional School block the student from further enrollment. If a student is blocked from further enrollment in the METM program, he or she shall not be permitted to enroll in other METM courses.
