MASTER OF ENGINEERING
TECHNICAL MANAGEMENT IN
TECHNICAL MANAGEMENT

Additional Requirements

Residence (p. 1)
Time Limit (p. 1)
Scholastic Requirements (p. 1)
Foreign Languages (p. 1)
Application for Degree (p. 1)

Residence
A student must complete 6 credit hours in resident study at Texas A&M University to satisfy the residence requirement for the Master of Engineering Technical Management.

Students who are employed full-time while completing their degree may fulfill total residence requirements by completion of less-than-full time course loads each semester. In order to be considered for this, the student is required to submit a Petition for Waivers and Exceptions along with verification of his/her employment to the Office of Graduate and Professional Studies.

See Residence Requirements (http://catalog.tamu.edu/graduate/academic-expectations-general-degree-requirements/degree-requirements/).

Time Limit
All degree requirements must be completed within a period of seven consecutive years for the degree to be granted. A course will be considered valid until seven years after the end of the semester in which it was taken. Graduate credit for coursework which is more than seven calendar years old may not be used to satisfy degree requirements.

Scholastic Requirements
To maintain good academic standing, an METM student must maintain a minimum cumulative 3.000 GPR each semester. If a student fails to attain a cumulative 3.000 GPR, he or she is placed on academic probation. A student on academic probation must raise his/her cumulative GPR to 3.000 or above by the end of the next 9 hours of coursework or within one calendar year, whichever comes first. If this requirement is not met, the METM Program Director will recommend that the Office of Graduate and Professional Studies block the student from further enrollment. If a student is blocked from further enrollment in the METM program, he or she shall not be permitted to enroll in other METM courses.

An METM student must attain a minimum cumulative 3.000 GPR on METM core courses.

Foreign Languages
A foreign language is not required for the Master of Engineering Technical Management degree.

Application for Degree
For information on applying for your degree, please visit the Graduation (http://catalog.tamu.edu/graduate/academic-expectations-general-degree-requirements/degree-requirements/#graduation) section.
