

DEPARTMENT OF PUBLIC SERVICE AND ADMINISTRATION

Head: Lori L. Taylor

The Department of Public Service and Administration (PSAA) seeks to develop principled leaders for the public and nonprofit sectors, providing students with the tools and knowledge they need in order to perform effectively and ethically in a time when public servants face new and increased challenges.

The PSAA Department offers the Master of Public Service and Administration (MPSA) degree and the Executive Master of Public Service and Administration (EMPSA) degree, as well as graduate certificates in Nonprofit Management, Public Management, and Homeland Security. The MPSA program is offered primarily in residence, while the EMPSA (<http://catalog.tamu.edu/graduate/colleges-schools-interdisciplinary/government-public-service/public-service-administration/executive-mps/>) program is offered primarily online via distance education technology. The graduate certificates are offered both in residence and online via distance education technology.

The PSAA Department also offers the MPSA in combined degree programs administered jointly with other departments on campus.
