Students in the MHA are required to fulfill a practicum requirement (PHPM 684). Instructions on submission and successful completion of the practicum are posted on the School of Public Health practicum website as well as with the department’s practicum coordinator. Students are to work specifically with their department practicum coordinator on meeting this curriculum course requirement. The practicum is overseen by the School of Public Health Practicum Coordinator in conjunction with the school’s master’s curriculum committee. Students must be in good academic standing, have completed all core public health courses, or be enrolled concurrently in no more than one core course at the time they enroll in the PHPM 684 course, and have no registration or university holds related to enrollment.
