MASTER OF PUBLIC HEALTH
IN OCCUPATIONAL SAFETY
AND HEALTH

Additional Requirements

Residence
No residence requirement exists; however, attention is directed to the
rules regarding Limitations on the Use of Transfer, Extension and Certain
Other Courses.

Time Limit
All degree requirements for a master’s degree must be completed within
a period of seven consecutive years. Coursework which is over seven
calendar years old may not be applied to master’s degree. Time limits for
coursework on the degree plan may also apply to transfer coursework.

Scholastic Requirements
To maintain good academic standing, a MPH student must maintain a
minimum cumulative 3.000 GPA. If a student fails to attain a cumulative
3.000 GPA, he or she is placed on academic probation. A student on
academic probation must raise his/her cumulative GPA to a 3.000 or
above according to requirements to be set forth in the probation letter.
Typically, this means raising the cumulative GPA to a 3.000 or higher
by the end of the next long semester (fall/spring). If this requirement
is not met, the School of Public Health's Academic Affairs Office will
recommend that the Graduate and Professional School block the student
from further enrollment. If a student is blocked from further enrollment in
the MPH program, he or she shall not be permitted to enroll in other MPH
courses.

Foreign Languages
No specific language requirement exists for the Master of Public Health
degree program.

Internship or Practicum
Students in the MPH are required to fulfill a practicum requirement.
Specific course names and numbers by department are PHEB 684,
PHEO 684, PHPM 684, and HPCH 684. Instructions on submission
and successful completion of the practicum are posted on the School
of Public Health practicum website as well as with the department’s
practicum coordinator. Students are to work specifically with their
department practicum coordinator on meeting this curriculum course
requirement. Students must be in good academic standing, have
completed all core public health courses, or be enrolled concurrently in no
more than one core course at the time they enroll in the 684 course, and
have no registration or university blocks related to enrollment.
