

# ENDO - ENDODONTICS

## ENDO 600 Current Literature Review I

**Credit 1. 1 Lecture Hour.** Detailed review of recently published literature on all subjects related to endodontics; critical evaluation of the scientific literature; student assignment of recent issues of 28 selected dental journals for critical review of pertinent articles for scientific merit and clinical relevance; register for a total of 9 credit hours.

## ENDO 601 Current Literature Review II

**Credit 1. 1 Lecture Hour.** Detailed review of recently published literature on all subjects related to endodontics; critical evaluation of the scientific literature; assignment of recent issues of 28 selected dental journals for critical review of pertinent articles for scientific merit and clinical relevance; register for a total of 9 credit hours.

## ENDO 602 Current Literature Review III

**Credit 1. 1 Lecture Hour.** Detailed review of recently published literature on all subjects related to endodontics; critical evaluation of the scientific literature; assignment of recent issues of 28 selected dental journals for critical review of pertinent articles for scientific merit and clinical relevance; register for a total of 9 credit hours.

## ENDO 603 Current Literature Review IV

**Credit 1. 1 Lecture Hour.** Detailed review of recently published literature on all subjects related to endodontics; critical evaluation of the scientific literature; assignment of recent issues of 28 selected dental journals for critical review of pertinent articles for scientific merit and clinical relevance; register for a total of 9 credit hours.

## ENDO 604 Current Literature Review V

**Credit 1. 1 Lecture Hour.** Detailed review of recently published literature on all subjects related to endodontics; critical evaluation of the scientific literature; assignment of recent issues of 28 selected dental journals for critical review of pertinent articles for scientific merit and clinical relevance; register for a total of 9 credit hours.

## ENDO 605 Current Literature Review VI

**Credit 1. 1 Lecture Hour.** Detailed review of recently published literature on all subjects related to endodontics; critical evaluation of the scientific literature; assignment of recent issues of 28 selected dental journals for critical review of pertinent articles for scientific merit and clinical relevance; register for a total of 9 credit hours.

## ENDO 606 Current Literature Review VII

**Credit 1. 1 Lecture Hour.** Detailed review of recently published literature on all subjects related to endodontics; critical evaluation of the scientific literature; assignment of recent issues of 28 selected dental journals for critical review of pertinent articles for scientific merit and clinical relevance; register for a total of 9 credit hours.

## ENDO 607 Endodontics Treatment Planning Conference I

**Credit 1. 1 Lecture Hour.** Diagnosis and treatment planning for complicated endodontic cases requiring advanced skills; case presentation by students and graduate faculty in a prescribed format; formulation and defense of diagnosis and treatment plan with biologic rationale based on documented scientific or clinical evidence; register for a total of 9 credit hours.

## ENDO 608 Endodontics Treatment Planning Conference II

**Credit 1. 1 Lecture Hour.** Diagnosis and treatment planning for complicated endodontic cases requiring advanced skills; case presentation by students and graduate faculty in a prescribed format; formulation and defense of diagnosis and treatment plan with biologic rationale based on documented scientific or clinical evidence; register for a total of 9 credit hours.

## ENDO 609 Endodontics Treatment Planning Conference III

**Credit 1. 1 Lecture Hour.** Diagnosis and treatment planning for complicated endodontic cases requiring advanced skills; case presentation by students and graduate faculty in a prescribed format; formulation and defense of diagnosis and treatment plan with biologic rationale based on documented scientific or clinical evidence; register for a total of 9 credit hours.

## ENDO 610 Endodontics Treatment Planning Conference IV

**Credit 1. 1 Lecture Hour.** Diagnosis and treatment planning for complicated endodontic cases requiring advanced skills; case presentation by students and graduate faculty in a prescribed format; formulation and defense of diagnosis and treatment plan with biologic rationale based on documented scientific or clinical evidence; register for a total of 9 credit hours.

## ENDO 611 Endodontics Treatment Planning Conference V

**Credit 1. 1 Lecture Hour.** Diagnosis and treatment planning for complicated endodontic cases requiring advanced skills; case presentation by students and graduate faculty in a prescribed format; formulation and defense of diagnosis and treatment plan with biologic rationale based on documented scientific or clinical evidence; register for a total of 9 credit hours.

## ENDO 612 Endodontics Treatment Planning Conference VI

**Credit 1. 1 Lecture Hour.** Diagnosis and treatment planning for complicated endodontic cases requiring advanced skills; case presentation by students and graduate faculty in a prescribed format; formulation and defense of diagnosis and treatment plan with biologic rationale based on documented scientific or clinical evidence; register for a total of 9 credit hours.

## ENDO 613 Endodontics Treatment Planning Conference VII

**Credit 1. 1 Lecture Hour.** Diagnosis and treatment planning for complicated endodontic cases requiring advanced skills; case presentation by students and graduate faculty in a prescribed format; formulation and defense of diagnosis and treatment plan with biologic rationale based on documented scientific or clinical evidence; register for a total of 9 credit hours.

## ENDO 614 Special Problems in Endodontics I

**Credit 1. 1 Lecture Hour.** In-depth exploration of subjects of individual's interest under graduate faculty supervision; concentrated and detailed search for information and analysis of published data as a basis for special reports, protocol development, research orientation and formulation; may register for a total of 6 semester hours.

## ENDO 615 Special Problems in Endodontics II

**Credit 1. 1 Lecture Hour.** In-depth exploration of subjects of individual's interest under graduate faculty supervision; concentrated and detailed search for information and analysis of published data as a basis for special reports, protocol development, research orientation and formulation; may register for a total of 6 semester hours.

## ENDO 616 Special Problems in Endodontics III

**Credit 1. 1 Lecture Hour.** In-depth exploration of subjects of individual's interest under graduate faculty supervision; concentrated and detailed search for information and analysis of published data as a basis for special reports, protocol development, research orientation and formulation; may register for a total of 6 semester hours.

## ENDO 617 Special Problems in Endodontics IV

**Credit 1. 1 Lecture Hour.** In-depth exploration of subjects of individual's interest under graduate faculty supervision; concentrated and detailed search for information and analysis of published data as a basis for special reports, protocol development, research orientation and formulation; may register for a total of 6 semester hours.

## ENDO 618 Special Problems in Endodontics V

**Credit 1. 1 Lecture Hour.** In-depth exploration of subjects of individual's interest under graduate faculty supervision; concentrated and detailed search for information and analysis of published data as a basis for special reports, protocol development, research orientation and formulation; may register for a total of 6 semester hours.

## ENDO 619 Advanced Special Problems in Endodontics I

**Credit 1. 1 Lecture Hour.** Advanced topics of individual scientific or clinical interest; may register for a total of 5 semester hours.

## ENDO 620 Advanced Special Problems in Endodontics II

**Credit 1. 1 Lecture Hour.** Advanced topics of individual scientific or clinical interest; may register for a total of 5 semester hours.

## ENDO 621 Implant Concepts and Treatment

**Credits 2. 2 Other Hours.** In-depth knowledge of the theories, concepts and treatment modalities implant prosthodontics; emphasis is placed integrating basic concepts with rationale for treatment.

## ENDO 622 Clinical Endodontics I

**Credits 1 to 10. 1 to 10 Other Hours.** Diagnosis, management and treatment of patients requiring endodontic therapy by beginning graduate students under faculty supervision; case selection and patient load determined by student aptitude and clinical competence; register for a total of three semesters.

## ENDO 623 Clinical Endodontics II

**Credits 1 to 10. 1 to 10 Other Hours.** Diagnosis, management and treatment of patients requiring endodontic therapy by beginning graduate students under faculty supervision; case selection and patient load determined by student aptitude and clinical competence; register for a total of three semesters.

## ENDO 624 Clinical Endodontics III

**Credits 1 to 10. 1 to 10 Other Hours.** Diagnosis, management and treatment of patients requiring endodontic therapy by beginning graduate students under faculty supervision; case selection and patient load determined by student aptitude and clinical competence; register for a total of three semesters.

## ENDO 625 Clinical Endodontics IV

**Credits 1 to 10. 1 to 10 Other Hours.** Diagnosis, management and treatment of patients requiring endodontic therapy by beginning graduate students under faculty supervision; case selection and patient load determined by student aptitude and clinical competence; register for a total of three semesters.

## ENDO 626 Clinical Endodontics V

**Credits 1 to 10. 1 to 10 Other Hours.** Diagnosis, management and treatment of patients requiring endodontic therapy by beginning graduate students under faculty supervision; case selection and patient load determined by student aptitude and clinical competence; register for a total of three semesters.

## ENDO 627 Advanced Clinical Endodontics I

**Credits 1 to 10. 1 to 10 Other Hours.** Diagnosis and management of patients with complex treatment problems; includes medically compromised patients, retreatments, surgeries and difficult interdisciplinary cases.

## ENDO 628 Advanced Clinical Endodontics II

**Credits 1 to 10. 1 to 10 Other Hours.** Diagnosis and management of patients with complex treatment problems; includes medically compromised patients, retreatments, surgeries and difficult interdisciplinary cases.

## ENDO 689 Special Topics In...

**Credits 0 to 4. 0 to 4 Other Hours.** Selected topics in an identified area of endodontics. May be repeated for credit.

## ENDO 691 Research

**Credits 1 to 5. 1 to 5 Other Hours.** Research for thesis or dissertation.
