MGMT - MANAGEMENT

MGMT 602 Markets and Public Policy
Credits 3. 3 Lecture Hours.
Theoretical underpinnings of business decision making; function and structure of markets; effects of public policy on business activities; includes: antitrust; securities; labor discrimination; products liability.
Prerequisite: Graduate classification.

MGMT 611 Microfoundations of Business Behavior
Credits 1 to 3. 1 to 3 Lecture Hours.
A multi-disciplinary analysis of the foundations of business behavior discussing business interaction with customers under alternative market conditions and interaction with suppliers, investors, employees and other stakeholders, considered in the context of alternative legal, political and social institutional arrangements. Classification 6 students may not enroll in this course.
Prerequisite: Enrollment is limited to BUAD classification 7.

MGMT 613 Managerial Macroeconomics
Credits 1 to 3. 1 to 3 Lecture Hours.
Analysis of domestic and global macroeconomic issues from a managerial perspective; analysis of current and historical macroeconomic events at the national and global levels; analysis of business cycles and monetary and fiscal policies; managerial decisions in the context of changing macroeconomic environment.
Prerequisite: Enrollment is limited to BUAD classification 7.

MGMT 614 Managing People in Organizations
Credits 1 to 3. 1 to 3 Lecture Hours.
Procurement and management of people in organizations including human resource management principles and analysis of how organizations function; performance appraisal, compensation, training, leadership, group dynamics, decision-making, control mechanisms and organizational change processes. Classification 6 students may not enroll in this course.
Prerequisite: Enrollment is limited to BUAD classification 7.

MGMT 618 Corporate Strategy and the Political Environment of Business
Credits 1 to 3. 1 to 3 Lecture Hours.
Formulation and implementation of corporate strategy with consideration of the political environment of business. Classification 6 students may not enroll in this course.
Prerequisite: Enrollment is limited to BUAD classification 7.

MGMT 620 Managing Human Resources
Credits 3. 3 Lecture Hours.
Survey of human resource management; formulation and implementation of human resource strategy addressed for areas including planning, recruitment, selection, job choice, training, development, appraisal, compensation, benefits, labor relations, international human resource issues and legal compliance.
Prerequisite: Graduate classification.

MGMT 621 Research Methods for HR Professionals
Credits 3. 3 Lecture Hours.
Direct experience in formulation of HRM issues as hypotheses and selection and implementation of appropriate research designs and statistical tools to evaluate such hypotheses; properties of appropriate criteria, measures, designs and statistical tests in context of contemporary HRM issues; ethical issues in HRM research.
Prerequisites: STAT 651 or equivalent; graduate classification.

MGMT 622 Organizational Staffing
Credits 3. 3 Lecture Hours.
Foundations and operating aspects of recruitment, selection and placement in various types of organizations; coverage of scientific and legal issues affecting human resource selection decisions from a managerial perspective; examination of the usefulness of various methods used in job analysis, selection, and performance appraisal; introduction to “job match” from various perspectives.
Prerequisite: Graduate classification.

MGMT 623 Compensation Management
Credits 3. 3 Lecture Hours.
Strategic and technical considerations in the management of employee compensation in organizations; including job evaluation systems, legal issues, comparable worth, rewards as a consideration in motivation and satisfaction, wage levels and structures, merit ratings, individual and group incentives and benefit plans.
Prerequisite: Graduate classification.

MGMT 624 Seminar in Human Resources
Credits 3. 3 Other Hours.
Seminar on theory and research in human resource management; includes: planning, search and decision theory, organizational entry and socialization, staffing theories, validity generalization, utility theory, performance measurement and evaluation, reward systems, organizational justice and employee rights, employee development and employee withdrawal.
Prerequisite: Doctoral classification or approval of instructor.

MGMT 626 Teams in Organizations
Credits 3. 3 Lecture Hours.
Cutting edge thinking on leading in team-based organizations including the organizational changes required to move to a team-based structure and the organizational factors required to create successful work teams.
Prerequisite: Graduate classification.

MGMT 627 Talent Management
Credits 3. 3 Lecture Hours.
Study of the role of talent management in careers; procedures for talent management to drive organizational success for HRM; identification, analysis and application of evidence-based approaches for development of leadership talent; analysis of leadership problems.
Prerequisite: Graduate classification.

MGMT 628 Contemporary Human Resource Management Issues
Credits 3. 3 Lecture Hours.
Application of human resource theory to contemporary human resource management issues; impact of these issues for the organization and on the strategic role of the human resource professional; guest speakers; student projects.
Prerequisite: Second-year enrollment in the Master of Science in management program or approval of instructor.

MGMT 629 Financial Analysis Modeling in HR
Credits 3. 3 Lecture Hours.
Direct financial analysis techniques in context of HRM professionals; define, identify, and analyze common financial statement reports; apply financial concepts into HR operational decision making; business application modeling; Microsoft Excel functionality.
Prerequisite: Graduate classification.
MGMT 630 Behavior in Organizations  
Credits 3.3 Lecture Hours.  
Organizational behavior theory, research and applications; focuses on the individual and group levels of analysis; includes: learning principles, perceptions, attitudes and job satisfaction, work motivation, job design, group properties and processes, leadership, conflict, communication, personality influences on work attitudes and behaviors, work-life issues and job stress.  
Prerequisite: Graduate classification.

MGMT 632 Technology Commercialization  
Credits 3.3 Lecture Hours.  
Focus on technology, process of evaluating raw technology viability, converting raw technology into commercially viable products and services; includes model on Small Business Innovation Research (SBIR) grant program; develops competencies skills to evaluate technology’s commercial viability; brings viable technologies to commercial success.  
Prerequisite: Graduate classification.

MGMT 633 Organizational Change and Development  
Credits 3.3 Lecture Hours.  
Organizational change theory, processes and models; the role of change agents; organizational diagnosis and intervention; culture, process, strategy, structure and technology changes in organizations; evaluation research on organizational change; problems and issues in organizational change.  
Prerequisite: Graduate classification.

MGMT 634 Seminar in Organizational Behavior  
Credits 3.3 Other Hours.  
Theory and research in organizational behavior; includes: operant and social learning theories, work motivation, job satisfaction and affect at work, task design, absenteeism and turnover, prosocial behavior, leadership, group properties and processes and work linkages and job stress.  
Prerequisites: MGMT 630 or equivalent; doctoral classification or approval of instructor.

MGMT 635 Employment Regulation  
Credits 3.3 Lecture Hours.  
Overview of regulatory environment of human resource management; topics include: equal employment opportunity and affirmative action, benefits regulation, workplace safety, workers’ compensation, labor relations, and international aspects of employment regulation.  
Prerequisite: Graduate classification.

MGMT 636 Seminar in Organization Theory  
Credits 3.3 Lecture Hours.  
Research literature in organization theory focusing on major theoretical perspectives and content areas; includes: design of organizational structure and control systems; analysis or organization-environment relations, including interorganizational relationships; managing organizational technology and innovation; information processing and decision making; and organizational culture, conflict and power.  
Prerequisite: Doctoral classification or approval of instructor.

MGMT 637 Foundations of Entrepreneurship  
Credits 3.3 Lecture Hours.  
Process of launching a new venture; process by which opportunities can be discovered and selected; attributes of entrepreneurs and new venture teams; process of developing business plan; core entrepreneurial strategies--business level, organizational design, marketing, financial; strives to develop competencies, concepts, operational tools relevant to creating, implementing new ventures.  
Prerequisite: Graduate classification.

MGMT 638 Strategic Entrepreneurship  
Credits 3.3 Lecture Hours.  
Emphasis on a firm’s need to be both entrepreneurial, identifying opportunities in the market, and strategic, taking actions to gain a competitive advantage, in order to create value for stakeholders; includes: developing an entrepreneurial mindset; building an entrepreneurial culture; managing resources, building a resource portfolio, bundling resources to create capabilities and leveraging the capabilities to exploit the opportunities identified; creating innovations.  
Prerequisite: Graduate classification.

MGMT 639 Negotiations in Competitive Environments  
Credits 3.3 Lecture Hours.  
Understanding prescriptive and descriptive negotiation theory as it applies to dyadic and multi-party negotiations, to buyer-seller transactions, dispute resolution, development of negotiation strategy and management of integrative and distributive aspects of the negotiation process.  
Prerequisite: Graduate classification.

MGMT 640 Managing for Creativity and Innovation  
Credits 3.3 Lecture Hours.  
Examines factors that may foster or stifle individual, team, or organizational creative performance, and presents techniques that may improve the student's creative thinking skills.  
Prerequisite: Graduate classification.

MGMT 643 Foundations of Managerial Law  
Credits 3.3 Lecture Hours.  
Basic legal relationships and issues encountered by managers and organizations; American legal system, administrative law, alternative dispute resolution and selected substantive areas of law (e.g., environmental protection, discrimination, negotiable instruments).  
Prerequisite: Graduate classification.

MGMT 645 Legal and Ethical Issues in Business  
Credits 1 to 3.1 to 3 Lecture Hours.  
An overview of legal compliance programs, business ethics and social responsibility issues.  
Prerequisite: Approval of instructor.

MGMT 650 Human Relations and Collective Bargaining in Industry  
Credits 3.3 Lecture Hours.  
Labor management relationship and human relations problems encountered during union administration; labor history; basic construction of the National Labor Relations Act; alternative dispute resolution; contemporary labor relations issues; international labor relations issues.  
Prerequisite: Graduate classification.

MGMT 655 Survey of Management  
Credits 3.3 Lecture Hours.  
Management concepts and applications important to managers in all types and sizes of organizations; includes: strategic planning, goal setting, control and managerial ethics; decision making, organizing, human resource management, including staffing, performance appraisal and compensation; leadership, motivation, communication and group processes; achieving organizational quality and managing in a global environment.  
Prerequisite: Graduate classification; may not be used for elective credit by a master’s candidate in business administration.
MGMT 657 Entrepreneurship: The Lean Startup Approach
Credits 3. 3 Lecture Hours.
Application of current lean startup methodologies working directly with existing student entrepreneurs and mentors in preparing for the launch of a real business at the student incubator (Startup Aggieland); act as advocates and consultants assisting with organizational structure, marketing and market validation, financial analysis and risk assessment.
Prerequisites: Graduate classification and approval of instructor.

MGMT 658 Managing Projects
Credits 3. 3 Lecture Hours.
Application of management processes to complex interdisciplinary organizational environments through the study of program and project management; adoptions of traditional management theories to the project environment; master typical project management microcomputer software for project planning; resource allocation; project budgeting; and control of project cost, schedule and performance.
Prerequisite: Graduate classification.

MGMT 660 Global Human Resource Management
Credits 3. 3 Lecture Hours.
Examine HRM in a global context; emphasis given to global HR functions such as international staffing, training, and compensation; focus on global HRM trends and challenges; addresses issues and choices HR managers face in multinational enterprises.
Prerequisite: Graduate classification.

MGMT 663 International Transfer Pricing
Credits 3. 3 Lecture Hours.
Valuation of cross-border transactions between units of a multinational enterprise; includes internal and external motivations for transfer pricing, managerial and economic approaches; estimates of transfer manipulation, arm's length standard, U.S. and OECD rules and procedures, tax court cases and ethical dilemmas.
Prerequisite: Graduate classification; enrolled in the 5-Year BS/MS in Economics program; or approval of instructor.
Cross Listing: ECON 663 and INTA 663.

MGMT 673 Advanced Research Methods in Management
Credits 3. 3 Lecture Hours.
Introduces PhD students in Management to the multivariate methods commonly used in management research. Applications emphasized; journal publications; projects and critiques required.
Prerequisite: STAT 608.

MGMT 674/BICH 679 Building Scientific Relationships
Credit 1. 1 Lecture Hour.
Addressing aspects of human element of scientific research; emotional and cultural intelligence, resiliency, team dynamics, leadership, effective communication with others, strategies for conflict resolution and best practices for mentoring undergraduates.
Prerequisites: Successful completion of one year of graduate study and affiliation with a research laboratory in the life sciences.
Cross Listing: BICH 679/MGMT 674.

MGMT 675 Leadership in Organizations
Credits 1 to 3. 1 to 3 Lecture Hours.
Review of research on procedures, styles and methods of leadership, supervision, management and administration; all aspects of leader role behavior, both in practice and in research; areas in need of further research. May be repeated for up to 3 hours credit.
Prerequisite: Graduate classification.

MGMT 676 Strategic Management Survey
Credits 3. 3 Lecture Hours.
Management concepts and applications important to strategy; includes: concept of strategy; the environment, and performance; the role of top management teams; business-level strategies; competitive strategy and dynamics; corporate strategy formulation and implementation; mergers; acquisitions; governance and control systems; international strategies; cooperative strategies; technology strategies; corporate entrepreneurship.
Prerequisite: Doctoral classification or approval of instructor.

MGMT 677 Strategy Implementation
Credits 3. 3 Lecture Hours.
Concepts, research and applications regarding issues central to strategy implementation; includes: the nature of managerial work; inertia, organizational change and adaptation; innovation; strategic leadership; power; top management teams in implementation roles; organizational cultures; the relationship between strategy and structure; executive succession; institutional contexts; governance; agency theory; boards of directors; executive compensation; use of leverage and cash flow; implementation of mergers, acquisitions, and restructuring.
Prerequisite: Doctoral classification or approval of instructor.

MGMT 679/IBUS 679 International Business Policy
Credits 2 to 3. 2 to 3 Lecture Hours.
Determinants of U.S. competitiveness in international markets; the international environment of business; introduction to multinational enterprises, global competition, international organizations, protection of intellectual property; international trade regulation; strategic trade theory.
Prerequisite: Graduate classification.
Cross Listing: IBUS 679/MGMT 679.

MGMT 680 Business and Corporate Strategy
Credits 3. 3 Lecture Hours.
Prerequisite: Graduate classification.

MGMT 682 Seminar in Strategic Entrepreneurship
Credits 3. 3 Other Hours.
Survey of the field of entrepreneurship, building from its theoretical foundations and extending into a variety of topic areas of great interest in contemporary research including entrepreneurial activity in both new and established organizations; emphasis on understanding key literature streams in entrepreneurship, synthesizing research in this area and understanding how to design and write compelling research; skill development to both appreciate and construct empirical research designs.
Prerequisite: Doctoral classification.

MGMT 683 Seminar in Organizational and Strategic Leadership
Credits 3. 3 Other Hours.
Intensive overview of scholarly research on selected topics within the general area of leadership; review of key concepts, theories, and research findings on leadership in organizations; micro and macro perspectives of leadership are considered; emphasis on understanding theoretical issues and research methods related to leadership research and discovering ways to expand knowledge on this topic through scholarly research.
Prerequisite: Doctoral classification.
MGMT 684 Professional Internship  
**Credits 1 to 6. 1 to 6 Other Hours.**  
Directed internship in an organization to provide students with on-the-job training with professionals in organizational settings appropriate to the students' professional objectives. Classification 6 students may not enroll in this course.  
**Prerequisites:** Approval of MS program coordinator and department head.

MGMT 685 Directed Studies  
**Credits 1 to 6. 1 to 6 Other Hours.**  
Directed study on selected problems using recent developments in business research methods. Classification 6 students may not enroll in this course  
**Prerequisites:** Graduate classification and approval of instructor.

MGMT 686 Research Methods in Organizational Science II  
**Credits 3. 3 Lecture Hours.**  
Continuation of topics introduced in Management 687; additional topics include survey research methodology, quantitative and qualitative field methods; archival data collection; measurement and methods across time; issues in peer review and publication.  
**Prerequisites:** Doctoral classification and MGMT 687 or approval of instructor.

MGMT 687 Research Methods in Organizational Science I  
**Credits 3. 3 Lecture Hours.**  
Philosophy of science, theory development; survey of research methodology applicable to the study of organizational phenomena; research strategy and design; measurement and sampling issues; data collection methods; problems and issues in organizational research.  
**Prerequisites:** Doctoral classification or approval of instructor; STAT 651 or equivalent.

MGMT 689 Special Topics in...  
**Credits 1 to 4. 1 to 4 Lecture Hours. 0 to 4 Lab Hours.**  
Selected topics in an identified area of management. May be repeated for credit.  
**Prerequisite:** Graduate classification.

MGMT 691 Research  
**Credits 1 to 23. 1 to 23 Other Hours.**  
Research for thesis or dissertation. Classification 6 students may not enroll in this course.  
**Prerequisite:** Graduate classification.

MGMT 705 Strategic Human Capital  
**Credits 1 to 4. 1 to 4 Lecture Hours.**  
Human resource management (HRM); staffing, performance management, work and job design; training; compensation and labor relations; employee engagement; applying human capital strategies to accomplish business objectives.  
**Prerequisite:** For Master of Science in Business students only.

MGMT 710 Crafting Business Strategy  
**Credits 1 to 4. 1 to 4 Lecture Hours.**  
Analysis, decisions and actions taken by companies to create sustainable competitive advantages; environment, competitor and stakeholder analysis; strategy formulation; strategy implementation and control; corporate governance; diversification; mergers and acquisitions; innovation and market share; nature of strategy and its relationship with performance.  
**Prerequisite:** For Master of Science in Business students only.
