

DEPARTMENT OF MARITIME BUSINESS ADMINISTRATION

The Maritime Business Administration Department seeks to create the next generation of leaders in maritime commerce and industry. Our expert professors bring years of industry and educational experience to the classroom in order to facilitate relevant and in-depth learning. Due to the close proximity to Galveston Bay, the ports of Houston and Galveston, and the Gulf of Mexico, students are well-positioned for a thorough and exciting educational experience. Graduates are prepared to embark on a successful career in a continuously growing field.
