Aggie Dining

Students can select a Meal Plan that fits their individual needs. Meal Plans are designed to be flexible for an array of lifestyles and appetites. Smaller plans are available for Non-Corps Upperclassmen and Off Campus students. There are three types of Meal Plans to choose from: The All Access Plan, Block Plans, and Dining Dollar Only plans.

On-Campus “New First Time Freshmen” (regardless of the number of college credit hours) living in the residence halls or the White Creek Apartments are required to have a minimum Meal Plan for the Fall and the Spring semesters (or remainder of the year for those that apply for housing after the beginning of the Fall semester.).

All Corps of Cadets members are required to have a minimum Meal Plan as designated by the Office of the Commandant in order to meet requirements of mandatory March-In Meals with the Corps. March-In Meals are automatically deducted at the beginning of each semester from meal plans.

Non-Corps Upperclassmen and Off-Campus students are not required to purchase a Meal Plan, but the option is available to them to aid in budgeting and provide dining discounts.

To learn about Meal Plan requirements/options, visit <https://dineoncampus.com/tamu/>.

There are three parts to a Meal Plan – Meal Swipes, Retail Swipes, and Dining Dollars

- **Meal Swipes**
 - Used at the 3 all-you-care-to-eat Dining Halls on campus. One “Swipe” at the front register grants access to the entire buffet! All Access Plans have an unlimited number of Meal Swipes per semester (must wait 30 minutes between swipes). Block Plans have a preset amount of Meal Swipes for the semester. Meal Swipes can also be converted into a “Retail Swipe” (see below). All Meal Swipes expire at the end of each semester and do not roll over to the following semester.
- **Retail Swipes**
 - Retail Swipes are Meal Swipes that are used at select retail locations on campus such as Chick-fil-A or Panda Express. Students on the All Access Plan are allowed 5 Retail Swipes per week with no day limit (must wait 30 minutes between Meal Swipes/Retail Swipes). Students on a Block Plan are allowed 1 Retail Swipe per day, which is deducted from their Meal Swipe total. Retail Swipes allow students to get whatever they like off of the menu up to \$8. Balances over \$8 can be paid for using Dining Dollars, Debit, or Credit.
- **Dining Dollars**
 - A dollar-for-dollar currency located on the Aggie ID and accepted at all dining locations on campus, including the Aggie Express convenience stores, Starbucks, and Food Trucks. Dining Dollars are not accepted at the Barnes and Noble Café in the MSC. Dining Dollars are only accepted on campus, assuring

parents/guardians that this money is spent only on food, beverages, and other important supplies (such as toiletries, scantrons, etc.). Dining Dollars cannot be overdrawn and can be refilled at any time.

- Each purchase is automatically deducted from the account and can be tracked at mealplans.tamu.edu. Dining Dollars automatically roll over from the Fall to the Spring Semester. All Dining Dollars expire at the end of the Spring semester and do not roll over to the Summer or Fall. Dining Dollars can be added at a minimum of \$50 at any time in the semester.
