AGRICULTURAL ECONOMICS - BS, FOOD MARKETING SYSTEMS OPTION

The Bachelor of Science degree in Agricultural Economics, with an option in Food Marketing Systems is designed to assist in the development of economic theory and quantitative analysis skills that students can apply to analyze and communicate about the food marketing issues in Texas, the nation, and the world. Students apply analytical skills to address operations involved in movement of agricultural commodities from farmer to consumer via several intermediaries; functions involve buying, selling, transportation, storage, financing, grading, pricing and risk bearing; agricultural supply chain or value chain is studied in detail; marketing aspects of commodities and differentiated goods. A student's educational experience is further enriched with supportive high impact opportunities such as business and industry internships, study abroad, directed studies and research, industry professional mentorship, and participation in prestigious sales competitions such as the National Agri-Marketing Association (NAMA) student competition.

Graduates are trained for a wide variety of jobs in agricultural and non-agricultural oriented businesses, firms, and agencies in both the public and private sectors. The program prepares students to continue on to graduate school, or pursue the 5-year combined program (BS AGEC and MPS PSAA (http://catalog.tamu.edu/undergraduate/agriculture-life-sciences/agricultural-economics/bs-mpsa/)) with the Bush School of Government and Public Service. The flexibility in the program allows a student to specialize in an area such as sales. These students end up joining major agriculture, non-agriculture and technology sales firms.

The BS in Agricultural Economics with a Food Marketing Systems option is also offered in McAllen, Texas.

Program Requirements

Eirct Voor

First Year				
Fall		Semester Credit Hours		
AGEC 105	Introduction to Agricultural Economics	3		
AGLS 101	Modern Agricultural Systems and Renewable Natural Resources	1		
ENGL 103 or ENGL 104	Introduction to Rhetoric and Composition or Composition and Rhetoric	3		
MATH 140	Mathematics for Business and Social Sciences	3		
American history (http://catalog.tamu.edu/undergraduate/ 3 general-information/university-core-curriculum/#american-history) 1				
Technical agriculture elective ^{2,3}				
	Semester Credit Hours	16		
Spring

Students under ROTC contract, see Requirement 7 of the Requirements for a Baccalaureate Degree. (http://catalog.tamu.edu/undergraduate/ general-information/degree-information/#requirements-forbaccalaureate-degree)

Any course offered by the College of Agriculture and Life Sciences, except 285s, 484s, 485s and agricultural economics courses.

- The Graduation requirements include a requirement for 3 hours of international and cultural diversity courses and 3 hours of cultural discourse courses. A course satisfying a Core category, a college/department requirement, or a free elective can be used to satisfy this requirement. See academic advisor.
- All undergraduate students must take at least two (2) specific courses in their major designated as writing intensive (W). This course is an approved W course.
- Six hours to be selected in one or more departments outside of the Department of Agricultural Economics. A minimum of 3 of these hours must be at the 300- or 400-level. To be selected in consultation with an advisor.
- ⁶ To be selected in consultation with an advisor.
- Any Texas A&M or transfer course (except ASCC 001 ASCC 003 (http://catalog.tamu.edu/undergraduate/course-descriptions/ascc/) KINE 198 and KINE 199) not used to meet other requirements.
- 8 AGEC 447 is a fall only class. AGEC 448 is a spring only class.
