

# INTERNATIONAL AGRICULTURAL DEVELOPMENT - MINOR

This program provides students with formal instruction in international agricultural development concepts and practical experiences through language acquisition, study/research abroad, and/or international fieldwork.

The International Agricultural Development (IDAG) curriculum prepares students for successful post-baccalaureate international careers or graduate studies particularly aligned with the Graduate Certificate in International Agriculture (INAG).

Students critically examine current international agriculture issues and/or topics in diversity and communications. IDAG coursework includes foundational concepts and upper-division foreign languages or approved international experiences.

Eligibility requirements to declare an IDAG Minor

Students must have:

1. A cumulative 2.0 GPA or higher and be in good standing with Texas A&M University;
2. A declared major;
3. Completed 75 hours or less at time of application;
4. A meeting with an IDAG advisor; and,
5. Complete an IDAG Minor application.

For more information about this minor, visit our website (<https://alec.tamu.edu/minors/>).

## Program Requirements

Code	Title	Semester Credit Hours
