AGRICULTURAL SYSTEMS MANAGEMENT - MINOR

The minor in Agricultural Systems Management is available to all students enrolled at Texas A&M University. The primary educational objective of this minor program is to provide students, majoring in other fields, with a fundamental knowledge of the fields of agricultural systems management.

AGSM 360 prepares students for the opportunity to pursue an occupational license. Students who participate in the class regularly and pass the course will be eligible for a “30 hour Course for General Industry” diploma from NASP. Please refer to the Notification for Students Pursuing an Occupational License (http://catalog.tamu.edu/undergraduate/appendices/licensing/) in our catalog for additional information.
