

DEPARTMENT OF ENTOMOLOGY

The Department of Entomology at Texas A&M University is one of the top entomology departments in the United States. We offer two undergraduate degrees, a Bachelor of Science degree in Entomology and a Bachelors of Science degree in Forensic and Investigative Sciences (FIVS). Our FIVS degree is the only bachelors degree in the state of Texas that is nationally accredited by the Forensic Science Education Programs Accreditation Commission (FEPAC) of the American Academy of Forensic Sciences. Both undergraduate degrees provide students with the necessary curriculum requirements to pursue graduate study in entomology, as well as in other professional fields, such as law and medicine.
