

# FLORAL DESIGN - CERTIFICATE

This program is designed to provide a knowledge base for individuals interested in pursuing a career in the varied aspects of the floral design industry.

The Floral Design Certificate, offered by the Department of Horticultural Sciences, provides a concentrated study in designing floral arrangements for special occasions, events, parties, and weddings. The certificate provides specialized knowledge and skills to individuals interested in pursuing a career or affiliation with the floral design industry's many and varied aspects. The certificate is open to all majors; however, students should consult an academic advisor before applying for the Floral Design Certificate program.
