

TOURISM MANAGEMENT - MINOR

Students must make a grade of C or better in all courses.

The Department of Hospitality, Hotel Management and Tourism offers a minor in Tourism Management as a supplement to other majors. The minor focuses on the planning, management, development and promotion of places and events as tourism attractions. Together, the various tourism courses are designed to explore and explain the linkages between local places and cultures, host populations, and various public, private, and special interest groups.

This program is also approved for delivery via asynchronous or synchronous distance education technology.
