

ARCHITECTURAL FABRICATION AND PRODUCT DESIGN - MINOR

The minor in Architectural Fabrication and Product Design can serve as a complement to several major fields of study and is open to all Texas A&M University undergraduates. The structure of the minor encourages students to gain a broad understanding of the terminology, history, prototyping and professional practices in Architectural Fabrication and Product Design. The minor includes six (6) credit hours of foundation coursework and nine (9) credit hours of design, theory and practice coursework.

Program Requirements

Code	Title	Semester Credit Hours
ENDS 101	Design Process	3
ARCH 216	Computational Methods in Architecture	3
ARCH 353	History of Product Design	3
ARCH 381	Design Seminar ¹	1
ARCH 317	Digital Fabrication for Architecture	3
Total Semester Credit Hours		15

¹ This is a 1 credit hour course that must be taken three times for a total of 3 credits.

Must make a grade of C or better in all courses.
