<sup>1</sup> Must make a grade of C or better.

Course counted as concentration electives for the undergraduate degree and put on the degree plan of the graduate degree.

- Semester Away: May be satisfied by study abroad, at another university, internship, or special arrangement by advisor or instructor. Concentration electives may be taken during summer, online, distance education, at another university or college, or at a study abroad university.
- Study abroad course. If electing to study abroad, must take CARC 311 and CARC 331 as concentration electives.

If a student takes URPN 494 in Fall of 4th year, 6 hours of concentration electives must be added to different semesters other than this fall.

- This course will be selected in consultation with the student's advisor. If not participating in study abroad, 3 hours must come from approved course in International and Cultural Diversity (http://catalog.tamu.edu/ undergraduate/general-information/degree-information/internationalcultural-diversity-requirements/).
- <sup>7</sup> See advisor for a list of approved courses.

A grade of B or better is required for graduate level courses.

The program includes a total of 156 hours which up to 6 hours may be applied toward both the Bachelor of Science in Urban & Regional Planning and the Master of Land and Property Development .
