

ANTHROPOLOGY - BS

Majoring in anthropology will provide a background in behavioral studies ideal if you're interested in biological or social sciences. The Bachelor of Science option focuses slightly more on scientific and mathematical coursework.

¹ Must make a grade of C or better.

² No anthropology course will satisfy this requirement.

³ These courses fulfill the prerequisites for STAT 302 or STAT 303

⁴ Select from ANTH 200-499 (<https://catalog.tamu.edu/undergraduate/course-descriptions/anth/>). Up to 6 hours from ANTH 200-299 (<https://catalog.tamu.edu/undergraduate/course-descriptions/anth/>), 6 to 12 hours may be selected from ANTH 300-499 (<https://catalog.tamu.edu/undergraduate/course-descriptions/anth/>).

⁵ See departmental advisor for list of additional science courses.

⁶ These courses have a Field or Lab experiential component

Graduation requirements include 3 hours of International and Cultural Diversity (<https://catalog.tamu.edu/undergraduate/general-information/degree-information/international-cultural-diversity-requirements/>) courses and 3 hours of Cultural Discourse (<https://catalog.tamu.edu/undergraduate/general-information/degree-information/cultural-discourse-requirements/>) courses. A course satisfying a core category, a college/department requirement, or a free elective can be used to satisfy this requirement. The required 6 hours may be met by courses satisfying other areas of a degree program. See your academic advisor for further information.

Writing Courses

All students are required to take two courses with the writing attribute, also known as "W-courses", from the department. Substitutions with W-courses from other departments are not allowed. Please see the academic advisor for the most current list of Anthropology W-courses.

Minor Requirements

Anthropology majors have the option of selecting a minor field of study from departments or divisions within or outside the College of Arts and Sciences or in a particular area of interest (as with interdisciplinary minors or career opportunity minors). Minors typically consist of 15-18 hours or coursework, at least 6 of which must be at the upper-division level. A minor should be declared before the student has completed 90 credit hours.

College and University Requirements

Other courses may qualify for this category. Students should consult the approved lists of courses available through the academic advisor in the Department of Anthropology or in the Undergraduate Student Services Office in the College of Arts and Sciences. The following list incorporates University Core Curriculum requirements. No course can be

counted in more than one category, with the exception of courses used for the international and cultural diversity (<https://catalog.tamu.edu/undergraduate/general-information/degree-information/international-cultural-diversity-requirements/>) or the cultural discourse (<https://catalog.tamu.edu/undergraduate/general-information/degree-information/cultural-discourse-requirements/>) requirement. To promote the opportunity for anthropology majors to acquire a broad educational experience, anthropology students must satisfy their University requirements for language, philosophy and culture, social and behavioral sciences, and the sciences with courses other than those offered by anthropology.

Students must complete a minimum of 36 hours of 300- or 400-level coursework at Texas A&M University.
