<td>2-3</td>
</tr>
</tbody>
</table>

#### Semester Credit Hours

15

### Total Semester Credit Hours

120

---

1. Select a section designated for chemistry majors.
2. This is a designated C- or W-course.
3. In consultation with an advisor, select 12 hours from among CHEM 220; CHEM 462; CHEM 470; MEEN 222/MSEN 222 or BMEN 343, MEEN 458.
4. Three hours of CHEM 484 may be substituted for three hours of CHEM 491 in consultation with an advisor.
5. Select any course 100-499 not used elsewhere except AERS 100-299 ([http://catalog.tamu.edu/undergraduate/course-descriptions/aers/](http://catalog.tamu.edu/undergraduate/course-descriptions/aers/)); CHEM 222, CHEM 242; MATH 102, MATH 142, MATH 167, MATH 168; MLSC 100-299 ([http://catalog.tamu.edu/undergraduate/](http://catalog.tamu.edu/undergraduate/))
Graduation requirements include a requirement for 3 hours of International and Cultural Diversity (http://catalog.tamu.edu/undergraduate/general-information/degree-information/international-cultural-diversity-requirements/) courses and 3 hours of Cultural Discourse (http://catalog.tamu.edu/undergraduate/general-information/degree-information/cultural-discourse-requirements/) courses. A course satisfying a Core category, a college/department requirement, or a general elective can be used to satisfy this requirement.

The total hours of CHEM 484, CHEM 485 and CHEM 491 taken by BS chemistry majors on a graded (A–F) basis may not exceed 15. Additional hours of these courses may be taken on a satisfactory/unsatisfactory basis.

Electives should be chosen in consultation with the chemistry advisor and should be selected to meet the residency requirement (36 hours at 300-400 level must be taken at Texas A&M).
