ECONOMICS - BS

The Bachelor of Science degree in Economics offers a strong liberal arts curriculum aimed at enhancing students’ analytical skills and applications to better understand human behavior. The degree plan is designed to allow opportunities for applied exploration of economic principles and theory through research, internship, and study abroad while focusing on quantitative skills and the development of rational thought and critical thinking. In addition to building skills in social science research and data analysis, the Bachelor of Science degree plan encompasses a broad spectrum of coursework from throughout the College of Arts and Sciences and Texas A&M University. By allowing for flexibility in courses that can be taken within the core curriculum, as well as for general electives, students can achieve a well-rounded education that can help with their future educational and professional goals.

To build a solid base of understanding, students take foundational courses in microeconomics, macroeconomics and mathematics, then refine those skills in statistics and intermediate economic theory classes. In upper-level courses, these reasoning abilities are applied to specific situations with a particular focus on understanding social problems from an economics perspective.

Students who graduate with a Bachelor of Science degree in Economics have a wide spectrum of career fields to choose from. Many students will pursue careers in business, law, finance, the nonprofit sector, and government, public policy and political professions.

### Semester Credit Hours
15

**Total Semester Credit Hours**
120

1. ECON 323 is a pre-requisite for most ECON electives.
2. Student must complete ECMT 461 or equivalent STAT course (Pre-approved by an advisor) prior to ECMT 463.
3. Select from ECMT 475, ECON 301-499 (http://catalog.tamu.edu/undergraduate/course-descriptions/econ/).
4. Select any 100-499 course not used elsewhere. ECON 100-499 (http://catalog.tamu.edu/undergraduate/course-descriptions/econ/) and ECMT 100-499 (http://catalog.tamu.edu/undergraduate/course-descriptions/ecmt/) may not be used to fulfill this requirement.

Graduation requirements include 3 hours of International and Cultural Diversity (http://catalog.tamu.edu/undergraduate/general-information/degree-information/international-cultural-diversity-requirements/) courses and 3 hours of Cultural Discourse (http://catalog.tamu.edu/undergraduate/general-information/degree-information/cultural-discourse-requirements/) courses. A course satisfying a Core category, a college/department requirement, or a free elective can be used to satisfy this requirement. The required 6 hours may be met by courses satisfying other areas of a degree program. See your academic advisor for further information.

No more than 39 credits in economics and econometrics can be applied to this degree. A grade of C or higher is required for all Economics and Econometrics coursework.
