Students should plan a program of study in consultation with one of the department’s undergraduate advisors.

**Minor Field of Study**

All history majors are encouraged to select a minor field of study from departments or divisions within or outside of the College of Arts and Sciences or in a particular area of interest (as in the case of interdisciplinary minors or career opportunity minors). The minor will consist of a minimum of 15 hours of coursework, as defined by the minor department. A grade of C or higher is required for a course to be counted in the minor field. Interdisciplinary minors (http://catalog.tamu.edu/undergraduate/arts-and-sciences/) such as Women’s and Gender Studies, Africana Studies, Classical Studies, Religious Studies, Film Studies, Latina/o and Mexican American Studies, and Business have specific requirements; students should consult undergraduate advisors in these areas of study. A second major may substitute for the minor. Courses used to meet the minor requirements may not be used in the major. See also the statement on “Minor Field of Study” under the general requirements (http://catalog.tamu.edu/undergraduate/arts-and-sciences/) of the College of Arts and Sciences.
