## PHYSICS - BS, PHYSICAL SCIENCE TEACHING TRACK

The Bachelor of Science in Physics, Physical Science Teaching track, will provide you with a solid foundation in Physics and the courses required for the aggieTEACH – Math & Science Program (https://aggieteachscience.tamu.edu/) (must apply). Upon completion of this degree and one semester of clinical teaching, you will hold a Texas Physical Science (grades 6-12) certification. Although this degree is designed for students who want to teach, the Physics courses also build a strong foundation in critical thinking and quantitative problem-solving skills that are attractive to many areas of industry.
