degree plan and toward a minor cannot count toward the 54 total hours. One of the two minors must be completed in a college outside of the College of Agricultural and Life Sciences. Must meet with an advisor to determine correct hours.

Students are required to make a C or better for each of their courses in the major coursework.

At least 36 credits must be 300- and 400-level courses.

The Graduation requirements include a requirement for three hours of international and cultural diversity courses and three hours of cultural discourse courses. A course satisfying a Core category, a college/department requirement, or a free elective can be used to satisfy this requirement. See academic advisor.

<sup>1</sup> Before registering as a junior, each student must develop a degree program in consultation with the departmental advisor.

<sup>2</sup> The total number of hours between Minor 1, Minor 2 and general electives must be 54 hours. Courses counting in other areas of the
