UNIVERSITY STUDIES - BS, SCIENCE FOR SECONDARY TEACHING CONCENTRATION

The BS in University Studies, Science for Secondary Teaching area of concentration consists of courses that give students desiring secondary-school teaching credentials a solid foundation in life, earth and physical sciences. In particular, the courses chosen encompass the science composite areas test by the State of Texas and TExES. These are the courses currently required for the science composite certificate.

Total Semester Credit Hours

120

1 Must make a grade of C or better.
2 Selection should be from courses from which prerequisites have been satisfied.
3 Completion of four semesters of upper-level ROTC may be substitute for three hours of this requirement.
4 Select from any 100-499 not used elsewhere.

Graduation requirements include a requirement for 3 hours of International and Cultural Diversity (http://catalog.tamu.edu/undergraduate/general-information/degree-information/international-cultural-diversity-requirements/) courses and 3 hours of Cultural Discourse (http://catalog.tamu.edu/undergraduate/general-information/degree-information/cultural-discourse-requirements/) courses. A course satisfying a Core category, a college/department requirement, or a general elective can be used to satisfy this requirement. See academic advisor.
