

ACCOUNTING - 5-YEAR BACHELOR OF BUSINESS ADMINISTRATION AND MASTER OF FINANCIAL MANAGEMENT

The James Benjamin Department of Accounting offers a 5-year, AACSB-accredited (Association to Advance Collegiate Schools of Business) Professional Program in Accounting. Professional Program graduates receive a Bachelor of Business Administration (BBA) in Accounting and a Master of Financial Management (MFM). Students must apply for admission and be accepted into the Professional Program to be eligible, and must be able to take coursework in College Station, TX.

The objectives of the Professional Program include developing sound conceptual, technical, analytical and communication skills that are required for success in the accounting profession. Many accounting graduates are employed by public accounting firms that provide assurance, tax and other services to all types of organizations. Other accounting graduates pursue careers with business firms and financial institutions, within all levels of government, and as accounting educators.

Upper Level Entry Requirements

Admission to the upper level major of accounting requires satisfactory completion of specific coursework. To review requirements and application procedures see Upper-Level Entry Requirements and Application Procedures (<http://catalog.tamu.edu/undergraduate/business/>).
