¹ To satisfy the University's *Cultural Discourse (CD)* graduation requirement students must take one course (3 credit hours) from a list of approved courses. If not satisfied through Core Curriculum, an approved *CD [KUCD]* course can be used to satisfy unmet *General Elective* requirement.

² Selected from a list of approved BBA international electives for business students. In the BBA curricula, at least 3 credit hours must be selected from a list of approved international elective courses that simultaneously fulfill the University's International and Cultural Diversity (ICD) graduation requirement. See an academic advisor. Management majors must take MGMT 450/IBUS 450.

³ Management majors are advised to take PSYC 107 or SOCI 205.

Upper-Level Entry into Accounting, Business Honors, Finance, Management, Management Information Systems, Marketing and Supply Chain Management (BBA)

Students who meet the University and college entrance requirements enter Mays Business School as lower-level business (BUAD) students. Enrollment of Mays Business School students in junior- and senior-level business courses is limited to those who have been admitted to upper-level (also referred to as upper division) in one of the seven BBA majors: accounting, business honors, finance, management, management information systems, marketing, and supply chain management.

Upper-Level Entry Requirements and Application Procedures

Lower-level business (BUAD) students are encouraged to complete the freshman and sophomore sequence of courses as listed under Program Requirements.

The BBA upper-level (UL) entry requirements and application procedures are as follows:

- Admission:** To be admitted to an UL BBA major, a student must be admitted to Mays Business School and have:

- a. Satisfactorily completed the following five courses:

Code	Title	Semester Credit Hours
ACCT 229	Introductory Accounting	3
ECON 202	Principles of Economics	3
ECON 203	Principles of Economics	3
MATH 140	Mathematics for Business and Social Sciences	3
MATH 142	Business Calculus (or its equivalent)	3

- b. Submitted application for UL admission no later than preregistration for the expected UL entry term. **NOTE:** For summer UL entry, all requirements must be completed BEFORE the first class day of the FIRST SUMMER SESSION.
- c. UL admission requirements include completion of the three remaining lower-level Core Business Knowledge (CBK) courses prior to or during the first UL semester. Business students must preregister for and complete the following three remaining lower-level CBK courses **at Texas A&M during their first UL semester**, unless satisfactorily completed prior to UL entry:

Code	Title	Semester Credit Hours
ACCT 230	Introductory Accounting	3
BUSN 203	Statistical Methods for Business	3
ISTM 210	Fundamentals of Information Systems	3

- d. BUAD students may preregister for upper-level business courses in the semester for which they have applied for upper level. However, students who fail to complete upper-level requirements shall not be permitted to remain registered in upper-level business classes.

2. **Transfer Students:** Transfer students admitted to Mays Business School will be classified as lower-level business (BUAD) majors until they complete all requirements listed previously in item 1, at which time they may apply for admission to an UL BBA major. Transfer students may immediately apply for UL when admitted to Mays Business School if, and only if, they meet all UL requirements at that time.
3. **On-Campus Change of Major Students:** Texas A&M students who change major into Mays Business School from another college or department at the University enter the business school as lower-level Business (BUAD) students until they complete all requirements listed previously in item 1. Change of major students who, when admitted to the business school, qualify to apply for admission to an UL BBA major may do so.
4. **Junior- and Senior-Level Business Courses:** Preference for available seats in junior- and senior-level business courses will be given to students who have been admitted to a BBA degree granting major in Mays Business School. All ineligible students who preregister for UL business classes are subject to cancellation of their registration in these courses.

completed credit hours and a minimum 2.5 cumulative GPA. Interested students may obtain more information from the Career Center (<http://careercenter.tamu.edu/>) website or (979) 845-5139 or in Room 209, Koldus Building.

Restrictions on Two Degrees

Mays Business School is enrollment managed; demand for admission to the undergraduate business program consistently exceeds available educational resources. Priority is given to qualified applicants for their initial bachelor's degree.

Double Major

Only Business Honors majors may elect a second major field of study within the BBA degree. The first major must be business honors. The Business Honors student must satisfy all University and Business School requirements and complete all curriculum requirements for each major. This option leads to the granting of one BBA degree with two majors. Additional restrictions may apply.

Double Degree

Approval of double degrees (BBA with BA or BS) is granted by exception only. A written appeal for a double degree may be submitted; the appeal should reflect an excellent academic record, support from the BA or BS granting college, and a compelling justification.

Second Degree

Postbaccalaureate admission to Mays is severely restricted and granted by exception only. Applicants for a postbaccalaureate business degree may present a case for an exception to this enrollment restriction in the essay of a complete Texas A&M admission application. Generally, eligible applicants are denied postbaccalaureate admission but may be encouraged to apply, instead, to an appropriate graduate degree program.

Certificate Programs

Mays offers certificate programs for undergraduate students who want to explore a particular topic area in more depth. Most are open to all BBA majors, and some are designed for specific majors who wish to specialize in a particular area in the major field of study.

Students who pursue any of the certificate programs must complete all requirements for the specific program prior to graduation. Certificates are noted on the transcript after graduation. Information regarding certificates programs and requirements can be found in the Mays Business School Certificates section.

Mays Business School

International: Each program offers BBA degree seeking students the opportunity to study international business and other cultures to develop foundation knowledge to meet global business challenges.
