**MANAGEMENT - BBA, HUMAN RESOURCE MANAGEMENT TRACK**

The Department of Management offers a Bachelor of Business Administration (BBA) in Management. The BBA Management (MGMT) major equips students with the academic knowledge and professional skills they need to pursue rewarding careers in a variety of industries. Students select from one of four specializations, or tracks, which provide academic focus and career direction for student interests.

The BBA MGMT-Human Resource Management track is designed for students interested in learning how HR professionals develop and implement workplace policies and initiatives regarding employee recruiting, selection, compensation, training & development, performance management, career planning, and employee & labor relations. A career in human resources allows HR professionals to engage in the strategic management of an organization's human capital.

**Upper-Level Entry Requirements**

Admission to the upper-level major of management (MGMT) requires satisfactory completion of specific coursework. To review requirements and application procedures see Upper-Level Entry Requirements and Application Procedures (http://catalog.tamu.edu/undergraduate/business/).
