MANAGEMENT - BBA, PRE-LAW TRACK

The Department of Management offers a Bachelor of Business Administration (BBA) in Management. The BBA Management (MGMT) major equips students with the academic knowledge and professional skills they need to pursue rewarding careers in a variety of industries. Students select from one of four specializations, or tracks, which provide academic focus and career direction for student interests.

The BBA MGMT-Pre-Law track is designed to expose students to opportunities that combine law and business, and could include careers in corporate law, international affairs, public policy, and conflict resolution, to name a few. Many students in this track will pursue a law or other advanced degree.

Upper-Level Entry Requirements

Admission to the upper-level major of management (MGMT) requires satisfactory completion of specific coursework. To review requirements and application procedures see Upper-Level Entry Requirements and Application Procedures (http://catalog.tamu.edu/undergraduate/business/).
