

MARKETING - BBA, ANALYTICS AND CONSULTING TRACK

The Bachelor of Business Administration (BBA) in Marketing prepares students to work effectively in corporate and nonprofit organizations that are part of a global economy. Marketing students will be proficient in marketing analytics, digital marketing, customer experience management, creativity, and brand management.

The BBA Marketing (MKTG) Analytics and Consulting track offers students interested in analytics and consulting several opportunities for building skills specific to this career path, and for networking with analytics and consulting professionals. In addition to taking courses geared to analytics and consulting, students can attend professional conferences and participate in local, regional, and national consulting competitions.

The BBA MKTG Analytics and Consulting track complements the student's degree and provides tangible evidence of rigorous academic and experiential preparation for a career in analytics or consulting. The curriculum emphasizes project-based learning with client-based organizations.

Students who complete the BBA MKTG Analytics and Consulting degree program are well-prepared to work in marketing analytics or consulting positions for marketing, information systems, or organizational structure.

Upper-Level Entry Requirements

Admission to the upper-level major of marketing (MKTG) requires satisfactory completion of specific coursework. To review requirements and application procedures see Upper-Level Entry Requirements and Application Procedures (<http://catalog.tamu.edu/undergraduate/business/>).

¹ Refer to the specific major notes below for variations from the Business (lower level) requirements.

² MATH 148, MATH 152, MATH 168 and MATH 172 will be accepted in lieu of MATH 140.

³ For those students under ROTC contract, see Requirement 7 of the "Requirements for a Baccalaureate Degree." (<http://catalog.tamu.edu/undergraduate/general-information/degree-information/>)

⁴ MATH 147, MATH 151 and MATH 171 will be accepted in lieu of MATH 142.

⁵ STAT 211 will be accepted in lieu of BUSN 203.

Management Information Systems: Students intending to major in Management Information Systems must add ISTM 250 Business Programming Logic and Design (3 credits) to second year fall curriculum in Business (lower level). The communication elective can be taken during the third year fall.

Business Honors: Students admitted to Business Honors take BUSN 125 Business Learning Community I (3 credits) in place of BUSN 101 in the first year fall curriculum and must add BUSN 225 Business Competency (3 credits) to the second year spring curriculum in

Business (lower level). The creative arts elective can be taken during the third year fall.

Finance: Students intending to major in Finance must add FINC 210 to freshman year curriculum in Business (lower-level). The general elective taken in the fourth year can be reduced by 1 credit.
