Credits 3. 3 Lecture Hours. Overview of the discipline and field of human resource development; focus on how individuals and groups learn and interact with organizations including motivation, group dynamics, systems theory, organizational culture, learning and change. Prerequisite: Sophomore classification.

EHRD 210 Legal and Ethical Environment of Human Resource Development
Credits 3. 3 Lecture Hours. Development of knowledge towards legal and ethical work environment in a corporate and educational setting in human resource development. Prerequisite: Sophomore classification.

EHRD 285 Directed Studies
Credits 0 to 12. 0 to 12 Lecture Hours. Directed readings or research problems in industrial education. Prerequisites: Freshman or sophomore classification; approval or directed studies application.

EHRD 289 Special Topics in...
Credits 1 to 4. 1 to 4 Lecture Hours. 0 to 4 Lab Hours. Selected topics in an identified area of industrial education. May be repeated for credit. Prerequisite: Approval of instructor.

EHRD 291 Research
Credits 0 to 4. 0 to 4 Other Hours. Research conducted under the direction of faculty member in educational human resource development. May be repeated 2 times for credit. Prerequisites: Freshman or sophomore classification and approval of instructor.

EHRD 315 Applied Human Resource Development in the Workplace
Credits 3. 3 Lecture Hours. Training and development context and synthesis of general industry-standard human resource practices in workplace environments for human resource practitioners. Prerequisites: EHRD 203 and EHRD 210 with a grade of C or better; junior or senior classification.

EHRD 371 Applied Learning Principles
Credits 3. 3 Lecture Hours. The overarching purpose of the course is to influence adult educators to make more intentional choices toward developmental growth in their work with adult learners; focus on adult learning theories and work strategies; meets writing intensive course requirement. Prerequisites: Junior or senior classification and approval of instructor.

EHRD 372 Learning and Development in HRD
Credits 3. 3 Lecture Hours. Concepts, knowledge and skills to access, design, develop, deliver and evaluate training programs; foundation of understanding roles of learning, training and development in organizations and systematic and evidence-based approach for designing and managing quality training programs in organizations. Prerequisites: Grade of C or better in EHRD 203 and EHRD 210; junior or senior classification; or approval of instructor.

EHRD 374 Organizational Development
Credits 3. 3 Lecture Hours. Introduction to major theories, concepts, skills and techniques for organization development in business and industry, education and the public sector. Prerequisites: Grade of C or better in EHRD 203 and EHRD 210; junior or senior classification; or approval of instructor.

EHRD 391 Measurement and Evaluation in Human Resource Development and Technology Management
Credits 3. 3 Lecture Hours. Measurement and evaluation techniques in the field of Human Resource Development and Technology Management; emphasis on understanding, calculation and application of basic testing, assessment and interpretation methods. Prerequisites: Junior or senior classification or approval of instructor; EHRD 203 with a grade of C or better; MATH 140 and MATH 142.

EHRD 402 Instructional Technology and Design
Credits 3. 3 Lecture Hours. Design principles; development of instruction; contemporary issues and trends; foundations in learning research; requirements for instruction, task and needs analysis; learning situations and instructional models; hardware and software innovations; assessing instructional outcomes; factors affecting utilization. Prerequisites: EHRD 371 with a grade of C or better; junior or senior classification or approval of instructor.
EHRD 405 Principles and Practices of Leadership in Human Resource Development and Technology Management

Credits: 3.3 Lecture Hours. Theories and concepts associated with learning in individuals and organizations; overview of leadership theories and learning theories within a context of developing leadership programs. Prerequisites: Junior or senior classification and approval of instructor.

EHRD 408 Globalization and Diversity in the Workplace

Credits: 3.3 Lecture Hours. Assist learners in the identification and understanding of globalization and diversity issues in learning, work and community; exploration of current issues, trends and policy issues. Prerequisites: Junior or senior classification and approval of instructor.

EHRD 413 Conflict Management and Dialogue

Credits: 3.3 Lecture Hours. Conflict management principles and practices in the workplace; engagement in meaningful conflict from a training and development perspective. Prerequisites: Grade of C or better in EHRD 203 and EHRD 210; junior or senior classification; or approval of instructor.

EHRD 477 Project Management in Organizations

Credits: 3.3 Lecture Hours. Application of principles of project management in organizations; focus on the development of project proposals, project planning using project management software; management of project personnel and resources. Prerequisite: Junior or senior classification or approval of instructor.

EHRD 481 Career Development Seminar

Credits: 3.3 Other Hours. Capstone seminar on significant issues of industry; transition from an academic environment to professional business environment; preparation of a multi-vector resume; salary negotiation; life skills and planning; steps in searching and securing an internship position. Prerequisites: EHRD 203; junior or senior classification; or approval of instructor.

EHRD 484 Professional Internship

Credits: 6.6 Other Hours. Directed internship in an organization to provide students with a learning experience supervised by professionals in organizational settings appropriate to the student’s professional objectives. Must be taken on a satisfactory/unsatisfactory basis. Prerequisites: Senior classification and approval of instructor, admitted to professional phase, EHRD 481, EHRD 490.

EHRD 485 Directed Studies

Credits: 0 to 12.0 to 12 Other Hours. Directed readings or research problems in industrial education. Term report required. Prerequisite: Approval of department head.

EHRD 489 Special Topics in...

Credits: 1 to 4.1 to 4 Lecture Hours, 1 to 4 Lab Hours. Selected topics in an identified area of industrial education. May be repeated for credit. Prerequisite: Approval of instructor.

EHRD 490 Research in Human Resource Development/Technology Management

Credits: 3.3 Lecture Hours. Investigative techniques currently employed in human resource development (HRD) and technology management (TCM) including the context of HRD/TCM research, planning HRD/TCM research, styles of HRD/TCM research, and strategies for data collection and researching. Prerequisites: Junior or senior classification; admitted to professional phase; EHRD 391 with a grade of C or better.

EHRD 491 Research

Credits: 0 to 4.0 to 4 Other Hours. Research conducted under the direction of faculty member in human resource development. May be repeated for credit. Prerequisite: Junior or senior classification.
