

# HUMAN RESOURCE DEVELOPMENT - BS

The curricula for Human Resource Development provides students with the content and course sequence to enter the workforce in either education, business or industry. The program stresses application in real settings as well as strong foundations in knowledge, and has strong field-based components. The following courses have been combined to give students a well-rounded foundation in the roles and responsibilities in education and business settings.

This program is approved to be offered at the Texas A&M Higher Education Center in McAllen, Texas.
