

# EDUCATION - BS, BILINGUAL EDUCATION EC-6

The Department of Educational Psychology offers an undergraduate degree program, Bachelor of Science in Education that includes certification in bilingual education and general elementary education, grades EC through 6. This program prepares teachers to instruct students who are served in bilingual classes at the elementary level. Students interested in certification in bilingual education should contact the EPSY undergraduate advisor in Harrington Tower.

## Program Requirements

The following curriculum leads to the Bachelor of Science degree in Education with certification in Bilingual Education, EC-6. Students are required to meet with their assigned academic advisor prior to registration each semester.
