

# INTERDISCIPLINARY STUDIES - CERTIFICATE

The Interdisciplinary Studies Certificate through the Department of Educational Psychology is designed for the Aggie ACHIEVE Program.

Aggie ACHIEVE is a four-year postsecondary program for young adults with intellectual and developmental disabilities (IDD) at Texas A&M University. Aggie ACHIEVE aims to provide an inclusive and immersive college education and equip students for employment in the community. The program aligns coursework, internship opportunities, and extracurricular activities with each student's academic interests and employment goals. Please reference the program requirements tab for information on course of study requirements for the Interdisciplinary Studies certificate. For additional information about the program, please reference the Aggie ACHIEVE website (<https://aggieachieve.tamu.edu/>).
