

GENERAL INFORMATION

General Information

General Information for Galveston Students

General Academics Major (GACD)

The General Academics major at Texas A&M University at Galveston is to be utilized by continuing students who are not able to immediately enter their major of choice. A student must have completed at least one semester at TAMUG prior to entering the General Academics major. Interested students must complete the General Academics Change of Major Application by the designated deadline in order to be reviewed for potential entry to GACD. Review criteria for entry to the major will include the student's ability to meet the minimum requirements to enter into their intended major in one to two semester(s), as well as review of any previous academic or honor code issues. Students admitted to the General Academics major have one (1) semester to work toward entry to their major of choice; an extension of one additional semester will be considered on a case-by-case basis.

For additional information, visit tamug.edu/slc/gacd (<http://www.tamug.edu/slc/gacd/>) or contact the Center for Academic Learning Support at cals@tamug.edu.

Academic Deficiency

Any GPA below 2.0 at Texas A&M University at Galveston is considered academically deficient; this applies to term GPA, major GPA, and cumulative GPA. At the conclusion of each academic term, all students with a deficient GPA will be reviewed. Depending on the severity of their case, and extenuating circumstances when relevant, the student will be placed into one of the following categories:

- Probation One – Students placed on Probation One are able to fully continue within their program, but must show consistent progress towards regaining good standing. Failure to show consistent academic progress, per terms set by the academic department, could result in the student being moved to another deficiency category.
- Probation Two – Students placed on Probation Two are able to fully continue within their academic program, but must meet additional probationary terms as well as showing consistent progress towards regaining good standing. These terms include full completion of the Academic Coaching and Success program, as well as remediation as deemed appropriate by the academic department. Failure to meet the full terms of probation and/or to show consistent academic progress, per terms set by the academic department, could result in the student being moved to another deficiency category.
- Departmental Suspension – Students placed on Departmental Suspension will not be able to continue within their academic program. Any classes that student has registered for will be dropped, and they will not be able to register for additional classes until they have successfully applied and been accepted into a new major. Admission to another major is not guaranteed.
- Campus Suspension – Students placed on Campus Suspension will not be able to continue at Texas A&M University at Galveston for a minimum of one (1) full semester. During that time, the student is required to develop an action plan addressing the specific issues causing their academic difficulty. After the semester suspension

concludes, the student is eligible to reapply to the campus; readmission is not guaranteed.

- University Suspension – Students placed on University Suspension will not be able to continue at Texas A&M University for a minimum of 12 months. Following the completion of the 12-month suspension, the student may apply for readmission; readmission is not guaranteed.

For additional information, contact the Seibel Learning Center at (409) 741-4343.

Academic Calendar

Texas A&M University and Texas A&M University at Galveston Calendar

All dates and times are subject to change.

Admission

Admission to Texas A&M University at Galveston

Admission

Admission into Texas A&M University at Galveston (TAMUG) requires a separate application from Texas A&M University at College Station. Applicants may apply for admission to any program on the Galveston campus at www.applytexas.org (<https://www.applytexas.org>). The SAT or the ACT admission examinations are acceptable. Students should submit scores to Texas A&M University Galveston at (Code 6835 for SAT and Code 6592 for ACT). Scores will only be accepted directly from the College Board or ACT.

Admission to the Texas A&M Maritime Academy (TAMMA) requires an additional application. Acceptance to an academic program by the Office of Admissions does not constitute admission to the TAMMA and U.S. Maritime Service License Option Program. Full information regarding TAMMA application and required documents are located at Prospective Cadets - Texas A&M Galveston, TX (tamug.edu) (<https://www.tamug.edu/corps/pages/Prospective-Cadets/prospective-cadets.html>)

To obtain an information packet or schedule a campus visit, call toll free at 1-87-SEAAGGIE, write Office of Admissions, Texas A&M University at Galveston, P.O. Box 1675, Galveston, TX 77553-1675, or visit <http://www.tamug.edu/admissions> (<http://www.tamug.edu/admissions/>).

Admission Statement and Policy on Individuals with Disabling Conditions

Texas A&M University at Galveston has a strong institutional commitment to the principle of diversity in all areas. In that spirit, admission to Texas A&M University and any of its sponsored programs is open to all qualified individuals. Texas A&M does not discriminate on the basis of an individual's disability and complies with Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act (ADA)

as amended in its admissions, accessibility, treatment and employment of students in its programs and activities. Services and facilities are available to students with disabilities. Individuals should contact the Office of Student Affairs if they have special needs before they commit to enrollment.

Applying for Admission

Students can apply for undergraduate admission to any Texas public university by using the ApplyTexas (<http://catalog.tamu.edu/undergraduate/galveston/general-information/www.applytexas.org>) Application. You may access the appropriate application from the ApplyTexas (<http://catalog.tamu.edu/undergraduate/galveston/general-information/www.applytexas.org>) application website: www.applytexas.org (<http://www.applytexas.org/>).

The admission guidelines presented here are for admission to the Spring, Summer or Fall 2022 semester. While they are the best guide available, admission criteria are subject to change. The TAMU Galveston website (www.tamug.edu (<http://www.tamug.edu>)) contains the admission policies and procedures in effect for 2022 admission.

The application for Spring 2022, Summer 2022 and Fall 2022 will be available at ApplyTexas beginning August 1, 2021.

Admission Deadlines

- The application deadline for domestic freshman is May 1, 2022, with all supporting documents submitted by May 15, 2022 to be considered for fall 2022 admission.
- The application deadline for Transfer students is June 30, 2022, to be considered for fall 2022 admission.
- The application deadline for an International Freshman student is December 1, 2021, to be considered for fall 2022 admission.
- The application deadline for an International Transfer student is December 1, 2021, to be considered for fall 2022 admission.
- The application deadline for Re-admission is June 30, 2022, to be considered for fall 2022 admission.
- The application deadline for Post Baccalaureate admission is May 30, 2022, to be considered for fall 2022 admission.
- The application deadline for Non-Degree Seeking admission is June 30, 2022, to be considered for fall 2022 admission.

Required Immunizations

- Texas Education Code (TEC) 51.9192 requires all entering students (under the age of 22) to provide evidence of vaccination against bacterial meningitis received within the last 5 years or a signed affidavit declining the vaccine at least 10 days prior to the start of classes for any given semester. Learn more about bacterial meningitis at Admitted Students - Texas A&M Galveston, TX ([tamug.edu](http://www.tamug.edu)) (<https://www.tamug.edu/admissions/AdmittedStudents.html#Checklist>).

Guidelines for Requesting Application Fee Waivers:

Fee waivers are not available for international students.

Freshman Waivers

Applicants who qualify for federally funded free/reduced lunch programs may qualify for a fee waiver. Students must certify their eligibility on the application. Please see our admissions website, Freshman Admissions - Texas A&M Galveston, TX ([tamug.edu](http://www.tamug.edu)) (<https://www.tamug.edu/admissions/Prospective-Students/Freshman.html>), for additional

information relating to fee waivers. *Checking the fee waiver box on the application will not satisfy the fee waiver requirement.*

Transfer or Readmit Waivers

To request a fee waiver, please provide your Student Aid Report (SAR), which you will find within your current FAFSA or a copy of an award letter from your current institution. The documents can be uploaded through the Applicant Information System (<http://catalog.tamu.edu/undergraduate/galveston/general-information/applicant.tamug.edu>) (AIS) portal, faxed to (409) 740-4731 or provided by U.S. mail. *Checking the fee waiver box on the application will not satisfy the fee waiver requirement.*

All fee waiver request documents may be mailed to the following address:

Texas A&M University at Galveston
Office of Admissions
P.O. Box 1675
Galveston, TX 77553-1675

Credit by Examination

Information concerning credit by examination may be obtained from the Seibel Learning Center Staff, (409) 741-4343. For information regarding current procedures for accepting credit, please visit the Center for Academic Learning Support - Texas A&M Galveston, TX (tamug.edu) (<https://www.tamug.edu/cals/>).

Gateway Program

The Galveston Gateway Program helps incoming students become fully prepared for their academic program. Students will be selected for the Gateway Program during initial review of their application for admission to the University; any student offered provisional admission through the Gateway Program is required to satisfactorily complete the program in order to gain full admission to the University.

Galveston Gateway students begin at TAMUG for the Summer II term and complete preparatory coursework, some of which will apply towards their major. At the conclusion of the Summer term, students who have met the terms of the program will continue as full students in good standing for the Fall term. Students who do not meet the terms of the program will be reviewed for possible continuation on probation or full suspension.

For additional information, contact the Center for Academic Learning Support at (409) 741-4343.

Entry to a Major – College of Engineering

Freshmen in General Engineering, Engineering at Galveston, or Engineering Academy programs have a common first year engineering curriculum to allow time for students to learn about the 17 engineering degree granting majors. It is recognized that in most cases students are not made aware of all of our engineering majors while in high school.

Students are introduced to the different engineering majors in the first year engineering courses. Students are encouraged to leverage additional resources, including the career center, faculty, as well as advisors to get career advice. Students must complete the following courses in at least two semesters before applying to an engineering major: two engineering courses, two math courses, and two science courses in the freshman year engineering curriculum. Exceptions will be made as needed for students entering with credit for the required courses. The entry-to-a-major process is designed for students to take ownership of their future to identify at least three majors that are a good match for their career goals and academic performance. The entry-to-a-major process is designed to place students in the highest rank

major possible based upon capacity and student performance. Students are encouraged to be in a major as early as possible. Students in the General Engineering and Engineering at Galveston programs must be in a major by the end of the third semester in engineering. Students in the Engineering Academy program must be in a major by the end of the fourth semester in engineering.

Transfer students are admitted directly to a degree granting major through the admissions process.

Tuition and Fees

Tuition and Fees for Texas A&M University at Galveston

Payment of Tuition and Fees

Students must meet all financial obligations to the University by their due dates to avoid late penalties, regardless of timing of payment assistance (scholarships, loans, tuition assistance, etc.). Failure to pay amounts owed may result in cancellation of the student's registration and their being barred from future enrollment and receiving official transcripts. Students who wish to pay fees in installments can select the option on the My Finances tab in the Howdy portal.

- Payments to Student Business Services may be in the form of cashier's check, personal check, debit card or money order payable to Texas A&M University at Galveston (or TAMUG). All checks and money orders are accepted subject to final payment. Cash is not accepted at the Cashier's booth.
- Discover, Mastercard and American Express credit cards and E-checks are accepted for tuition and fee payments over the website via the Howdy Portal/ My Finance Tab. Convenience fees of 2.25% will be charged for online credit card transactions, with a minimum \$3 charge. Visa credit cards cannot be used for payment.

No tuition and fee statements will be mailed. Notices of amounts owed should be obtained through the Howdy Portal/ My Finance Tab. An email will be sent to a student's University email address (email.tamu.edu) when the tuition and fee statement is available to view online. Students must use their Howdy NetID and password to log into these two programs.

Students who plan to pay their bill in full by the due date will receive notification through their University email address that the fee statement is available to view online and when tuition is due and payable.

Students may choose to pay tuition and fees in installments. Students on the installment plan will receive notification through their University email account that the fee statement is available to view on line and when each installment payment is due and payable. In addition, students will be notified through this medium when any changes have occurred to their tuition and fee statement and if and when they have a refund available. All financial aid or loans must be accepted before being applied toward the student's account.

Late Payment Penalty

There are severe penalties for failure to pay student account balances and installments by their specified due dates. If a payment is delinquent when a semester ends, the student will be blocked and may not receive credit for academic work performed. Students will not be readmitted to the University until all past due balances, including late charges, are paid. A late fee of \$25 will be assessed for each payment not received on or before it is due. If a student is removed from the rolls of the

University or is withdrawn for failure to pay amounts owed the University, a reinstatement fee of \$200 will be assessed in addition to any other late fees or penalties already incurred and must be paid before the student will be reinstated. Current due dates can be found at the Student Business Services website, <https://sbs.tamu.edu>.

Late Registration Fees

Students who register on or after the first day of classes are assessed a late registration fee of \$100. Students who register after the official census date (12th class day for fall and spring, 4th day for summer) are assessed a late registration fee of \$200. Students who add classes after the official census date are assessed a late fee of \$50. Note: Penalties, late registration and late add fees also apply to students who are required to re-enroll because their registrations were cancelled for nonpayment.

Registrations are subject to cancellation and/or financial penalties if sufficient payment is not received before 5:00p.m. on the semester due date.

Use of Collection agencies and Credit Bureau

If amounts become past due, the University reserves the right to report the account to the Credit Bureau. This will also initiate internal collection efforts and could cause the University to employ an outside collection agency to collect the debt. If any collection efforts must be made, the student will be required to reimburse the University for the fees of any collection agency, which may be based on a percentage at a maximum of 30% of the debt, and all costs and expenses, including reasonable attorney's fees the University incurs in such collection efforts.

Cancelling Registration

Once students have registered for classes, they must select one course of action from the following to remain in good standing with the University:

- pay all amounts due by the specified due date.
- use online registration to drop all classes prior to the first day of classes.
- initiate the withdrawal process online in Howdy to begin the process to withdraw from the University after the first day of classes.

Following this procedure is especially important for students who have been awarded scholarships or financial aid since the aid may automatically pay tuition and fees and cause the registration to be held even though the student has decided not to attend. Failure to request cancellation of an unwanted registration may result in grades of F or I in all courses for the semester. The student will be required to reimburse the University for scholarships and other financial aid applied to their account and will be held responsible for paying all fees for the semester, regardless of whether they attended classes.

Cancellation for Nonpayment of Tuition and Fees

The University reserves the right to cancel registrations not paid by their due date, or the official census date for a semester or summer term, to comply with state laws requiring payment of tuition and fees, to free the classroom spaces for other students, and to ensure the most efficient use of university resources.

One Time Only Fees

Housing Application (not refundable)	\$ 75.00
Freshman New Student Conference Fee (not refundable)	\$ 225.00

New Transfer Student Conference Fee (not refundable)	\$ 153.00
General Property Deposit (refundable)	\$ 100.00

Housing and Meal Plans

With limited exception, all undergraduate students enrolled in more than nine credit hours are required to reside in campus housing (if available) and are required to purchase a meal plan. Information concerning a request to live off-campus can be obtained at <http://www.tamug.edu/cll/PoliciesProcedures.html> (<http://www.tamug.edu/reslife/Housing/Campus%20Housing%20Requirement.html>). Any student living off campus at the beginning of the semester who adds enough hours to require living on campus must pay for room and board for the entire semester. Residence hall fees are included in the fee schedules at <http://www.tamug.edu/cll/HousingOptions.html#Pricing> (<http://www.tamug.edu/reslife/Housing/HallSpecifcs.html>). In certain cases, single room housing is offered. The fee for that room is the normal rate plus 50%.

Upon admission to the University, students who will be living on campus must submit a \$75 housing application fee to reserve their spot in the residence halls. A waiver for the housing application may be submitted. To do so, the student should submit the housing application with an attached letter stating reasons for the waiver request. In order to be considered, the student must have a FAFSA submitted to TAMUG. The waiver request can be emailed to cll@tamug.edu (reslife@tamug.edu) or mailed to TAMUG Campus Living and Learning, P.O. Box 1675, Galveston, TX, 77553-1675.

Students requesting to change meal plans during the semester will have 20 days from the first class day to make any changes and the cost of those changes will adhere to the University's refund schedule. Requests for changes to a meal plan after the 20 day period will not be permitted.

All changes must be made through the Dining Services Office at (409) 740-4508.

Meal Plan Fees:

For On Campus: <https://new.dineoncampus.com/tamug/for-on-campus> (<https://new.dineoncampus.com/tamug/for-on-campus/>)

For Off Campus: <https://new.dineoncampus.com/tamug/for-off-campus> (<https://new.dineoncampus.com/tamug/for-off-campus/>)

Tuition and Fees: Texas Resident and Non-Texas Resident (Both undergraduate and graduate)

Tuition and fees can be found at <http://tuition.tamu.edu/galveston> (<http://tuition.tamu.edu/galveston/>). The student will need to know his/her chosen tuition plan for determination of his/her tuition and fees.

Tuition and Fees: Texas A&M Maritime Academy Cadets

Cadets enrolled in MARB LO, MARS LO, MART or MARR LO curricula pay a special tuition rate regardless of their state residency status (in-state or out-of-state). License Option students who are residents of the state of Texas will pay instate tuition plus \$12.50 per semester credit hour. License Option Students from states other than Texas will pay the instate variable plan plus \$12.50 per semester hour plus a Differential Tuition of \$300.00 per semester hour.

Tuition and fees can be found at <http://tuition.tamu.edu/galveston/>. The Cadet's cohort will determine the applicable Tuition and Fees. NROTC Midshipmen, Drill and Ceremonies Cadets or International Cadets are not eligible for this special License Option tuition and must pay normal Texas Resident or Non-Resident as applicable.

Summer Sea Term

Cadets in the License Option Program must achieve the minimum sea service aboard ships required by the U.S. Coast Guard within four (4) years. In order to obtain federal financial aid, students must enroll in a minimum of six semester credit hours during the summer term. Cadets may meet this requirement by completing two additional semester credit hours by distance or by completing an additional course on campus. Either of these options will result in additional tuition expenses.

The Summer Sea Term expense for training aboard the Texas A&M Maritime Academy assigned training ship or a designated alternate ship includes tuition and fees plus a sea term (cruise) fee. There could be additional travel expenses to and from the ports plus lodging in addition to the cost of the sea term which is estimated to be between \$12,000 to \$13,000. The Summer Sea Term meal plan expense includes state and city tax of 8.25%. Final costs are shared with cadets during the preceding Spring Semester.

Other Expenses

This may include uniforms with an initial outlay of \$1,500, special training such as Fire Fighting School and incidentals.

Students who are dismissed or withdraw from a license-option degree plan after the semester begins will have fees adjusted to the appropriate resident or nonresident rate retroactive to the beginning of the semester.

License-option Cadets who are granted a leave of absence for the summer and who enroll in the onshore summer program at the Mitchell Campus instead of the summer sea term will pay license-option fees as appropriate for that period.

License-option Cadets must complete all required sea service within four (4) years.

Emergency Tuition and Fee Loans

Emergency tuition and fees loans are available to help students get through the crunch at fee payment time. Students can borrow up to the amount of their tuition and fees for a maximum term of 90 days in the Fall and Spring semester and 30 days in the Summer semester. The loan proceeds are applied directly to the student's account to cover current due charges. Students that anticipate their financial aid or some other third party payment may be delayed are encouraged to pursue an emergency tuition and fees loan so they will not get dropped from their classes or incur additional fees. Students may apply for this loan in the Howdy Portal/ My Finances Tab.

Short term loans are also available to pay optional fees, such as residence hall fees, meal plans, parking, etc. They can be repaid within 12 months. To qualify you must be registered for 6 hours in the fall or spring semester and 3 hours in the summer term and be clear of all past due loans and blocks. To obtain short term loans, students should consult with Student Business Services, located in the Main Building Suite 104 or at 409-740-4434.

Returned Payments

If a check or ACH payment accepted by Student Business Services, the bookstore or any other campus department is returned unpaid by

the bank on which it is drawn, a penalty of \$30 will be assessed. The returned check or ACH payment and the penalty fee must be paid with cashier's check, money order or credit card online. If not redeemed, the student may be dropped from the University. Student accounts will be blocked for future registration and transcripts. The student is eligible for reinstatement after payment of penalties, a \$50 reinstatement fee and redemption of the check or ACH payment. If Student Business Services receives three returned checks or ACH payments from one student, the University will no longer accept this payment type for the student.

Fees

Please note that not all fees listed below are relevant to all students.

Application Fee

Students who submit an application for undergraduate studies pay a \$75 fee. Students who submit an application for graduate studies pay a \$50 fee. International students pay a \$90 application fee.

Commercial Cruise Fee

A fee of \$1200 will be charged for all license option students sailing on a commercial cruise.

Distance Education Fee

\$46 per semester credit hour is assessed to students taking courses using distance education resources.

Field Trip Fees

A field trip fee ranging from \$15 to \$6,000 may be charged for courses that include field trips.

Diploma/Graduation Fee

A non-refundable fee of \$47.50 per degree sought is assessed the semester a student applies for graduation. This must be paid within the first 15 class days of the student's final semester. Late payment of the Graduation Fee will result in a \$50 late charge.

International Student Service Fee

International students who are not sponsored are assessed a \$85 fee each semester to defray administrative support costs.

Independent Study Abroad Fee

In the event that a student is planning to Study Abroad, this fee of \$100 is to cover services provided by the TAMU Education Abroad Office.

International Student Health Insurance

International students (students who are not U.S. Citizens or Lawful Permanent Residents of the United States) enrolled at Texas A&M are required to have health insurance. International students will be automatically enrolled in and charged for the System Student Health Insurance Plan (SSHIP) unless they apply for and are granted a waiver. Individually purchased plans from vendors other than the Texas A&M University System provider will not be eligible for a waiver of automatic enrollment in the SSHIP. This is to ensure that medical treatment will be available in the event of injury or illness during enrollment at the University. International students can receive more detailed information about this requirement by visiting <http://admissions.tamu.edu/international/iss/>. Specific questions may be directed to International Student Services by emailing ISS@tamu.edu.

General Property Deposit

A deposit of \$100 is required of every student to ensure the institution against losses, damages, and breakage for which the student is responsible, or to be used to offset in part amounts owed by the student to the institution. General deposits are returned to students, less any such amounts owed to the institution, within a reasonable period after the date of the student's graduation from the institution, not to exceed 180 days. The deposit retention period provides the University sufficient time to identify all amounts owed and to determine if the student intends to enroll in the semester or summer session immediately following the student's withdrawal or graduation or, if the student withdraws or graduates in the spring semester, in the next fall semester. If a student leaves the University without graduating or officially withdrawing, they must submit a written request to Student Business Services to receive a refund of their deposit. Deposits for students that do not graduate, withdraw or otherwise request a refund remain on file for four years. Those deposits are forfeited to the University's General Deposit Scholarship Fund, after deducting any amounts owed the University.

Health Services Fee

This fee is required of all students enrolled in Galveston-based classes at the rate of \$44.50 for each regular semester, \$44.50 for the summer training cruise, and \$22.25 per five-week summer term. This fee will finance health services provided by a local clinic in Galveston, and medical services on the summer training cruise.

Housing Application Fee

An application fee of \$75 is required as part of a completed housing application. Exact stipulations and details regarding the use and return of that deposit are listed within the contract signed with the application. A waiver for the housing application fee may be submitted. To do so, the student should submit the housing application with an attached letter stating reasons for the waiver request. In order to be considered, the student must have a current FAFSA on file with Financial Aid. The waiver request can be emailed to cll@tamug.edu (reslife@tamug.edu) or mailed to Campus Living and Learning, P.O. Box 1675, Galveston, TX, 77553-1675.

Identification Card Maintenance Fee

All students must have an identification card. This card is used in registration procedures, collection of fees, for dining hall privileges, etc. If the card is lost or stolen, a reissuing fee will apply.

Installment Plan Fee

If a student chooses to use the installment plan for payment of tuition and fees, there is a \$15.00 nonrefundable charge for Fall and Spring Semesters. There is no charge for the installment plan in the summer semester.

Laboratory Fees

A laboratory fee ranging from \$8 to \$30 is charged for each laboratory course each semester.

MMAL (Master of Maritime Administration and Logistics) and MMRM (Master of Marine Resources Management) Program Fee

This fee is required of all graduate students enrolled in the MMAL and MMRM program and assessed at \$750.00 for instate residents and \$1500 for non-residential per semester. The MMAL and MMRM program fee will be utilized to provide program administration and departmental

operating costs in order to sustain a quality graduate program, as well as to provide for innovative growth.

Mail Service Fee

Limited availability exists for students residing in non-university owned or operated housing to rent a campus mailbox. The fee is \$20 per semester and \$20 per ten week summer term. Inquiries should be directed to the Bookstore (409-740-4488). Students have mail services included as part of the University's room charge if they are residing in university owned housing.

Cadet Drug Test Fee

The Cadet Drug Test Fee is \$30 per semester and is required for all License-Option Cadets.

New Student Conference Fee - Graduate

The Graduate New Student Conference fee is required of all new graduate students enrolling in the fall or spring semesters and selected summer terms at the rate of \$50 per student. This fee supports the provision of advanced materials to accepted students and the activities and food during the orientation.

New Student Conference Fee - Undergraduate

The New Student Conference fee is required of all new freshmen students at the rate of \$225. New transfer students enrolling in fall or spring semesters and selected summer terms will be charged \$153 per student. This fee supports the provision of advanced materials to accepted students, the presentation of new student conferences (including some meals) and student activities.

Parking Permit

All students parking an automobile or motorcycle on the campus pay a fee of \$200 for the academic year (Fall, Spring, Summer). By request, prorated refunds can be issued for terms not used. Parking rates are subject to change each fiscal year.

Recreational Sports Fee

This mandatory \$105 fee assessed for the fall and spring terms and \$52.50 for each 5-week summer term will provide building maintenance and programming support for recreational sports facilities.

Student Center Complex Fee

The mandatory Student Center Complex Fee is required for all students at the rate of \$100 per spring or fall semester or \$50 for the five-week summer term. This fee will be used for the operation, maintenance, programming improvement and purchase of equipment for the student center complex and for the acquisition and construction of additions to the complex.

Supplementary Fee for Courses Attempted More than Twice

Certain courses that are attempted by a student more than twice at a public institution of higher education in Texas may not be reported for state funding. As a result, the institution must either pass the non-funded portion to all students, or charge a supplementary fee to the student who is repeating the course. Texas A&M has chosen to assess a supplementary fee to those students repeating a course more than twice. A student attempting certain courses more than twice at Texas A&M University will be subject to a supplementary fee of \$125 per semester credit hour (\$375 for a 3 hour course) for the repeated course, in addition to tuition and required fees associated with the course. The general

criteria for determining which courses are subject to the supplementary fee are:

- A course is subject to the fee if a student has completed it twice at Texas A&M University with a grade of A, B, C, D, F, F* (academic dishonesty), S (satisfactory), U (unsatisfactory), I (incomplete), Q or W (authorized drop after the add/drop period), X (no grade submitted), or NG (administrative no grade).
- Courses identified by the University as repeatable for credit are not subject to the fee. The Three Peat Exclusion attribute is displayed under course attributes in the Schedule of Classes for each course identified as repeatable for credit.

Students will be notified at the time they register for a course that it has been taken twice at Texas A&M University and is subject to the supplementary fee.

Testing Administrative Fee

A \$50 per test fee will be used to pay for personnel to proctor credit-by-exams and TSI tests and to pay shipping costs to send tests to testing centers.

Texas A&M Maritime Academy Orientation Week Fee

The Texas A&M Maritime Academy Orientation Week (O-Week) Fee is \$43 and covers equipment and supplies needed during the Corps of Cadets O-Week. Meals for O-Week are a separate charge and will be added to the semester bill following O-Week.

University Advancement Fee

The variable University Advancement Fee is a required fee charged to all Texas A&M University students. The Advancement fee funds services such as advising, technology, library and administrative services such as ID services, utilities, access to discounted software and many services provided through Student Services.

University Authorized Tuition

This variable fee is assessed to compensate for occupancy, services, use and/or availability of all or any of the property, buildings, structures, activities, operations and other facilities of the campus.

Other Expenses

Textbooks and Supplies: The cost of textbooks and supplies will vary with the quality of items purchased and with the course of study pursued. Students can expect to pay about \$800 for each fall and spring semester. Expenses for the summer term should amount to approximately one-half of the above estimates.

License Option Cadet Expenses: License-option Cadets must purchase uniforms with initial outfitting estimated at \$1,500. Other items such as caps, belt buckles, and name tags may be required to be purchased from the TAMUG Bookstore.

A Sports Pass which will allow a student to attend Texas A&M University home games may also be purchased at registration. Refunds are not allowed for individual games or games missed.

The University operates a bookstore which supplies textbooks, stationery, drawing instruments, toiletries and other supplies. All merchandise is sold at retail prices prevailing in the area. Major credit cards are accepted in the bookstore.

Student Fiscal Appeals

If a student finds themselves in an issue related to the application of University Student Fiscal Policy, such as excess hours, please access the information under <http://fms-galveston.tamu.edu/sbs-galveston/student-fiscal-appeal-process/> for an explanation of the Student Fiscal Appeal Process and an application for appeal.

Scholarships

For entering students, including freshman, transfer, and domestic graduate students, all scholarships are awarded based on information from the ApplyTexas application for admissions, including information collected in the Scholarship section of the application. If any awards require additional information, those students that are deemed qualified based on the ApplyTexas will be notified. The priority deadline for incoming student scholarships is December 1st. The final deadline for the Freshman Terry Scholarship is January 24th. The deadline for the Levy Fellowship is January 1st.

For continuing students, the University Scholarship Application (<http://sfaid.tamu.edu/uwideapp/>) is used for awarding institutional scholarships. In order to receive a scholarship from Texas A&M University at Galveston for the upcoming school year, a student must complete the University Scholarship Application online by February 1st. Award recipients are primarily selected by a committee of faculty and staff from across the university who utilize this application and any other necessary supplemental information. In some cases, the selection is made directly by the donor of the scholarship funds

To view scholarships available, visit <http://www.tamug.edu/Scholarships> (<http://www.tamug.edu/finaid/Scholarships/>). For additional information, contact the Scholarship Office at scholarships@tamug.edu or 409-740-4500.

Maritime Academy

Texas A&M Maritime Academy

The Texas A&M Maritime Academy (TAMMA), formed in 1962, is a specialized, maritime education and training program within Texas A&M University at Galveston (TAMUG) where Academy Cadets complete a rigorous academic program with a regimented lifestyle. The Maritime

Academy educates and trains professional U.S. Coast Guard-credentialed mariners, Navy Reserve Officer Training Corps (ROTC), as well as Drill and Ceremony cadets who carry on the maritime and military traditions of our campus while they pursue other career goals serving the needs of the State, the Nation and the global marketplace.

Admission to the Texas A&M Maritime Academy

Applicants to the Texas A&M Maritime Academy (TAMMA) must apply to the university and to TAMMA. Admission to the TAMU Galveston Campus does not guarantee admission to the TAMMA. In addition to the common application, (ApplyTexas.org) prospective students must submit an application to the TAMMA to one of the three programs embedded into the Corps of Cadets. Each individual programs has additional admissions requirements. Refer to the License Option, NROTC, and Drill & Ceremony program requirements found on the TAMMA website [3]. Due to program and professional requirements established in Federal law (*46 CFR Part 310*) by the U.S. Coast Guard (USCG) and the Maritime Administration (MARAD), the application for admission to TAMMA requires additional application elements detailed below.

- Evidence of the ability to meet the most current medical and physical standards established by USCG regulations. Applicants must apply to the USCG for a medical certificate. The medical and physical evaluation process includes a vision test, hearing test, general medical exam, and demonstration of physical ability [1]. License Option (LO) Cadets must demonstrate ability to meet USCG medical and physical standards within nine (9) months of enrollment. LO Cadets must continue to meet the USCG medical and physical standards throughout enrollment in an LO program. LO Cadets who fail to demonstrate ability to meet most current USCG medical and physical standards will be transferred out of the LO programs until the individual is able to meet the most current USCG medical and physical standards. Additional programs such as D&C and NROTC admission requirements can be found on the TAMMA website application page [3].
- Evidence that the Cadet or Midshipman is not a user of dangerous drugs. According to Federal regulations [2], TAMMA maintains a program for testing individuals for evidence of dangerous drug use. During O-Week, TAMMA will test entering freshmen and Cadets transferring into TAMMA for evidence of the use of dangerous drugs. In addition, TAMMA conducts random tests throughout the academic year. Any Cadet who tests positive for the use of dangerous drugs or refuses to be tested will be immediately suspended from the Corps and all LO courses and activities for a period of at least one (1) calendar year, depending upon the outcome of a Return-to-Duty process prescribed and monitored by the USCG. There is no guarantee that a Cadet who is suspended will be permitted to re-enroll in a LO program.
- A criminal background check.

Prospective Cadets may download a TAMMA application through the TAMMA website [3] for a complete detailed list of all admissions requirements.

License Option Graduation Requirements

TAMMA's Cadets may receive diplomas from Texas A&M University only after 1) successfully completing the courses of study in their academic degree plans, 2) successfully completing required sea service 3) passing a comprehensive professional examination administered by the USCG, and 4) demonstrating knowledge, understanding, and proficiency

competencies required by the International Convention on Standards for Training, Certification and Watchkeeping (STCW).

The following degree plans offer a License Option:

- BS Marine Biology
- BS Marine Sciences
- BS Marine Engineering Technology
- BS Marine Transportation
- Any Graduate Program offered by TAMUG

All students enrolled in the Marine Transportation program are required to be in the LO program.

Cadets who select an LO degree plan must be motivated, honorable, and willing to experience the rigor and discipline of the regimental structure of the Corps of Cadets for the duration of their enrollment in the program.

License Option Requirements

In addition to the degree requirements contained in the *Texas A&M at Galveston Students Rules* and the University catalog, LO Cadets must complete the requirements to achieve a Merchant Mariner Credential (MMC)[4] issued by the USCG. The requirements for the MMC are determined by International conventions, Federal law and regulations, and policies established by the USCG and the Maritime Administration (MARAD). The requirements for an MMC are subject to change according to developments at the International Maritime Organization, Congressional action, the Federal rule-making process, and consultations between the USCG, MARAD, and the Maritime Academies.

The international convention with the most direct impact on TAMMA and the requirements for an MMC is the International Convention on Standards for Training, Certification and Watchkeeping for Seafarers (STCW Convention). The main purpose of the STCW Convention is to establish international agreement on training and education standards to promote safety of life and property at sea and the protection of the marine environment.

The STCW Convention establishes endorsements that LO Cadets must achieve in order to graduate and serve aboard commercial vessels in international trade. "Deck Cadets" must achieve the STCW international endorsement as Officer In Charge of a Navigation Watch (OICNW). "Engine Cadets" must achieve the STCW international endorsement as Officer In Charge of an Engineering Watch (OICEW).

LO Cadets must also pass each course required for the desired STCW Convention international endorsement with at least a C and demonstrate each of the required competencies contained in each course. Attendance in LO courses is mandatory.

LO Cadets, regardless of age, prior experience as a mariner, or prior military service must maintain membership in the Corps and complete all of the requirements of the LO program. The minimum period of training is three (3) years or six (6) full semesters as a full-time student. **All License Option Cadets and NROTC must participate in the Corps of Cadets until graduation.** Applicants who desire to transfer into TAMMA from other State or Federal Maritime Academies are encouraged to inquire regarding current policy and provide documentation regarding prior coursework, sea service, and conduct records from other Academies.

LO Cadets are required to attend all classes in each course required for the desired STCW Convention international endorsement. These courses are identified in the *Texas A&M University Catalog*. Unexcused

absences are not permitted. All sea service must be achieved according to TAMMA's USCG-approved License Option programs.

Sea Service Requirements

Under Federal law all LO Cadets are required to complete 360 days of sea service. Cadets may achieve the required sea service through a combination of TAMMA-approved assignments aboard training vessels, commercial ships, military vessels, USCG-approved courses that employ simulators, watches aboard TAMMA's training vessel, and maintenance work. Cadets assigned to approved training vessels receive 1.5 days of sea service for each 1 day assigned. Cadets assigned to commercial or government vessels receive 1 day of sea service for each 1 day assigned. All assignments must be approved by the Superintendent or delegate.

Corps of Cadets

The Corps of Cadets (Corps) focuses on leadership development and provides Cadets and Midshipmen enrolled in the Navy Reserve Officer Training Corps program (NROTC) a disciplined environment designed to prepare its members to become successful Merchant Marine or military officers.

Members of the Corps are required to attend formations, drills (including parades at College Station), stand announced and unannounced personnel and room inspections, participate in physical fitness activities, and perform other duties required by the *Corps Operations Manual and Sea Term manual(LO cadets)*.

TAMMA's Superintendent is responsible for TAMMA's administration and the operations of the Corps of Cadets. The Corps of Cadets includes

1) **License Option Cadets** (LO Cadets) who are studying and training to fulfill the professional requirements to become Merchant Marine Officers through TAMMA's USCG-approved training program. These Cadets enroll in TAMMA's License Option (LO) programs and must maintain membership in good standing in the Corps,

2) **Midshipmen** who meet the qualifications for acceptance into TAMUG's NROTC program. Midshipmen seek commissions in the U.S. Navy upon graduation. Midshipmen integrate fully into the Corps, and must complete all degree requirements as well as courses required by the Navy.

Students may join the NROTC program as National Four-Year Scholarship Winners or as non-subsidized college program applicants. Interested prospective Midshipmen may obtain information on the National Four-Year Scholarship program through any Navy recruiting office. The application deadline is January 15 of the year of admission. All NROTC scholarships cover the costs of tuition, fees, and uniforms. All scholarship- junior and senior-level Midshipmen receive a monthly allowance and are paid for summer training periods.

3) **Drill and Ceremony (D&C) Cadets** who desire the structure, rigor, leadership training, and camaraderie of membership in the Corps. D&C Cadets are full members of the Corps, must purchase all required uniforms, perform drills, stand formation, and participate in personal and room inspections. Drill and Ceremony cadets do not participate in summer sea term courses aboard the training ship. Each D&C Cadet will receive a certificate indicating voluntarily participation and membership in the TAMUG Corps of Cadets.

Corps members are encouraged to participate in on-campus sports, clubs and educational activities and may compete for places on the Hearn

Honor Guard, the Drill Team, the Sea Aggie Band, and the Flag Color Guard.

Members of the Corps are generally required to live on campus in the state-of-the-art Texas A&M Maritime Academy Hall.

Standards of Conduct

In addition to the *Texas A&M University at Galveston Student Rules* and the *Texas A&M University Rules* the Corps operates according to rules and standards contained in the *Corps Operations Manual* and the *Cadet Instructions Manual*[5]. Among other things, these publications establish mandatory uniform regulations, standards of dress, grooming, and discipline.

The Corps' conduct and discipline system, administered by the Commandant, is a method for assessing the aptitude and motivation of each corps member for becoming a mariner or military officer.

Corps members who violate the Corps' standards of conduct receive demerits and Cadets that consistently violate the Corps' standards of conduct may be suspended or dismissed from the Corps. Cadets enrolled in any of the LO programs must maintain membership in good standing in the Corps. LO Cadets who are dismissed or suspended from the Corps but who are permitted to remain at TAMUG may not enroll in LO courses and will be removed from the Corps housing. Cadets who are not Texas residents, will be required to pay to out-of-state tuition costs retroactively to the beginning of the term.

The Corps includes a special unit called "Victor Company". Victor Company is veterans of the U.S. Armed Services or individuals who are married and/or with dependents or over the age of 25 when first enrolled in TAMMA. The Victor Company Cadet Commander reports directly to the Commandant and Victor Company members follow all Corps regulations including watches and practical training aboard TAMMA's training vessel.

Cadets in Victor Company are permitted to live off campus.

The Corps also includes International Cadets. With approval, international Cadets may pursue the LO education and training required to become Merchant Marine Officers and earn a degree from Texas A&M University. However, International Cadets are subject to U. S. immigration laws and may not take the USCG license exams. Instead, international Cadets receive a certificate of completion of their respective degree plans.

TAMMA will provide each Cadet accepted into the Corps a list of required uniform items along with procedures for purchasing uniforms. Entering Cadets should order uniforms as soon as they learn they have been accepted into the Corps.

TAMMA will issue uniforms during Orientation Week prior to the start of the Fall Semester.

Orientation Week

Prior to the beginning of the Fall semester, all freshman and transfer students entering TAMMA, NROTC, or D&C must attend Orientation Week (O-Week).

Under the guidance of the Commandant, members of the Corps of Cadets' leadership team plan and execute O-Week to introduce each new member to the Corps' routines and traditions. Cadets also learn military bearing and customs, basic seamanship, engineering, and nautical science skills. O-Week training includes, military formations, marching to class and meals, team-building exercises, hands-on seamanship training, and other training to enable new members to hit the decks running when

the entire Corps returns from training sea terms and/or assignments at sea.

Student Incentive Program (SIP)

LO Cadets may qualify for financial support through MARAD's Student Incentive Program (SIP).[6] LO Cadets who receive financial support through SIP participate in the Navy Strategic Sealift Midshipman program (SSO) program and receive a commission as Ensign, USNR upon graduation and may apply for active duty service with the Navy following graduation.

In order to qualify for the financial support under SIP, LO Cadets must:

1. Pass a Navy physical examination and maintain Navy medical standards,
2. Pass semi-annual Navy Physical Readiness Tests,
3. Maintain a minimum GPA of 2.5 (4.0 system),
4. Be under the age of 27 by graduation. Waivers are available for prior service students.

Upon graduation, LO Cadets who accept financial support through SIP, must:

1. Complete the course of instruction at TAMMA,
2. Within three (3) months of completion of the TAMMA course of study, achieve a merchant mariner license with appropriate national and international endorsements for service aboard vessels in domestic and international voyages with unlimited endorsements,
3. For at least six (6) years maintain a valid 1) merchant mariner license with appropriate national and international endorsements for service aboard vessels in domestic and international voyages with unlimited endorsements, 2) transportation worker identification credential, and 3) USCG medical certificate.
4. Apply for and accept, if tendered, an appointment as a commissioned officer in the Navy Reserve including the Strategic Sealift Officer Program, the USCG Reserve, or any other reserve component of the Armed Forces of the United States for at least eight (8) years.
5. Serve the foreign and domestic commerce and the national defense for at least three (3) years after graduation.

LO Cadets with interest in the SIP are encouraged to speak with TAMMA and NROTC staff about the details of applying and the obligations following graduation.

Additional LO Requirements

In addition to minimum requirements associated with courses within USCG-approved program of study and training for international STCW Endorsements, Cadets are required to obtain several training endorsements required by the USCG. Some of these include, but are not limited to Basic Safety Training, Basic and Advanced Firefighting, Radar and Automated Radar Plotting Aids, Global Marine Distress System (GMDSS), and Bridge Resource Management.

LO Cadets are also required to apply for and maintain a valid Transportation Workers Identification Credential (TWIC), and a current Passport. TAMMA will assist each Cadet in obtaining the required endorsements and documents. **However, it is each Cadet's responsibility to maintain a current portfolio of all required documentation.** A complete

list of these requirements and costs will be available during New Student Conferences.

[1] See 46 CFR Subpart C – Medical Certification. The USCG’s Application for Merchant Mariner Medical Certificate may be accessed at: <http://www.tamug.edu/corps/apply.html>

[2] See 46 CFR Part 16 and 49 CFR Part 40

[3] <http://www.tamug.edu/corps/apply.html>

[4] 46 CFR §10.107(b) defines *Merchant Mariner Credential* as combining the individual merchant mariner’s document, license, and the STCW endorsement into a single mariners qualification document, certificate of identification, and certificate of service.

[5] <http://www.tamug.edu/corps/>

[6] Cadets enrolled in TAMMA’s License Option (LO) program may apply for Student Incentive Payments (SIP) provided by the Department of Transportation’s Maritime Administration. Title 46 USC 51509-51511 describes the details of the SIP. Cadets are encouraged to seek guidance from TAMMA staff regarding SIP.

Services

Services for Texas A&M University at Galveston Students

Campus Dining

With limited exceptions, all students are required to live in campus housing, if campus housing is available, and purchase a meal plan. Students residing in campus housing and classified as U1 on the first class day must select one of the Block 240 or Block 200 meal plans. Students residing on campus and classified as U2 or above on the first class day must select one of the Block 240, Block 200 or Block 160 meal plans.

All Dining Plans are loaded onto the Student ID card to make access and use easy.

Fees for the selected meal plan will be added to your Texas A&M University student fee, and are separate from housing fees. Any plan purchases or additions made after the ninth week of class cannot be charged to the student’s account and must be paid via credit card. This date is subject to change, so please check with Dining Services when needing to purchase or add to your plan.

Dining Plans include 2 parts: First, “Meals,” which can be used at the all-you-care-to-eat dining hall (Captain’s Landing located in the Student Center). “Meals” can also be used in Sbisa Dining Hall in College Station when a student travels to College Station for activities (football games, visits with friends, etc.). The second part of the dining plan consists of “Dining Dollars.” These declining balance dollars can be spent like cash or a debit card, and are accepted at all dining locations. Each purchase is automatically deducted from the account.

Dining Dollars roll over from fall to spring with the purchase of a spring dining plan. “Meals” do not roll from one semester to another.

Dining Dollars are only accepted on campus, assuring parents and guardians that this money is spent only on food and beverages.

Applicable sales tax will be added at checkout.

Students requesting to downgrade their meal plans during the semester will have 20 days from the first class day to make any changes and the cost of those changes will adhere to the University’s refund schedule. Downgrades can only be made if the student is not already on the minimum required plan. In order to add or upgrade a meal plan, please do so by 7 weeks from the start of the semester. All changes must be made through the Dining Services Office at (409) 740-4508.

Campus Recreation

The Campus Recreation Department commits to Aggies learning for a lifetime by providing safe and inclusive programs promoting wellness of mind, body, and spirit while developing marketable skills which enrich the education of our students and the campus community.

The Campus Recreation Department features six programmatic areas: Intramural Sports (<http://www.tamug.edu/recsports/intramurals/>), Club Sports (<http://www.tamug.edu/recsports/clubsports/>), Outdoor Program (<http://www.tamug.edu/recsports/outdoorprogram.html>), Aquatics (<http://www.tamug.edu/recsports/aquatics.html>), Fitness (<https://www.tamug.edu/campusrec/Fitness.html>), and Wellness.

The Intramural Sports program offers the campus community the opportunity to compete in a variety of Men’s, Women’s, and/or Co-Rec leagues or tournaments. Intramural sports are open to all currently enrolled students as well as TAMUG faculty and staff. There are no registration fees charged for participation. Instructions on how to sign-up for an intramural sport can be found within the Intramural Sports tab.

The Club Sports program provides students with the chance to focus on a particular sport or recreational activity, and in many cases compete in or pursue that activity at a higher level.

The Outdoor Program grants students, faculty, and staff the opportunity to participate in outdoor pursuits such as surfing, camping, rock climbing, stand-up paddleboarding, and kayaking.

Additionally, the Campus Recreation Department oversees aquatic facility operations at the campus outdoor pool including open swim hours, hiring of lifeguards, and facility rentals.

The Fitness program allows students, faculty, and staff to participate in group exercise classes, personal training sessions, and fitness orientations.

The Student Wellness program creates educational opportunities for students around the 8 dimensions on the wellness wheel - Spiritual, Physical, Intellectual, Emotional, Environmental, Social, Financial, and Occupational.

Career Services

Career Services can offer a variety of services for students in every stage of the career planning process, from your freshman year through graduation. These services include:

- Web based job and internship postings
- Resume and cover letter assistance
- Interview preparation and mock interviews
- On-campus interviews and employer presentations
- Specialized workshops for employment research, job and graduate school searches.
- Job search and networking tips
- Email distribution list for job and internship postings.
- Career counseling
- Two annual career fairs, one in Fall and another in the Spring

Center for Academic Learning Support

The Center for Academic Learning Support (CALs) strives to increase awareness of campus resources, foster community formation and student belonging, develop skills to build and reach personal and academic goals, contribute to a diverse and inclusive climate, and build major commitment and marketable skills. We support high impact learning opportunities by integrating students' holistic academic careers into a purposeful academic journey. Vital aspects of this effort include fostering development through academic communities, coaching navigation skills and learning behaviors for an ever-evolving learning environment, and providing individualized student solutions.

Specific CALs programs include Academic Advising (for all first year students as well as General Academics majors), Academic Coaching, Course Support and Guided Group Study, FIRST Program, Galveston Gateway, Hullabaloo U, The Studio, TSI Developmental Education, and Writing Support. For additional information, please visit [tamug.edu/cals/](https://www.tamug.edu/cals/) (<https://www.tamug.edu/cals/>).

Counseling Services

The Office of Student Counseling provides services to undergraduate and graduate students at Texas A&M University at Galveston. The Office is staffed by licensed counselors and the services rendered to students are free, voluntary, and confidential. The Office staff is dedicated to assisting students in their pursuit of personal and academic growth, to helping students gain a better understanding and appreciation of themselves, and to supporting students as they make important decisions about their lives.

What is counseling?

Counseling, most simply stated, is an interaction between a person who is struggling in some way and in need of help, and another person who is trained in helping people find solutions for their struggles. The reasons for coming are many, and the counseling strategies employed also vary from counselor to counselor. The one constant is that the counselor focuses all energies on trying to help the student. It doesn't always work, but our student evaluation forms suggest that most students who seek counseling believe that it has been helpful to them. And if you feel uncertain about whether counseling is for you, we encourage you to make an initial appointment and discuss any reservations you might have with one of our counselors. There is no obligation to continue.

Course Support

Course Support sessions aim to provide students with deeper understanding, extra practice at applied theory, and intellectual skill building. Peer Consultants guide learning in foundational courses such as Chemistry, Math, Physics as well as disciplines including Accounting, Economics, Engineering, Marine Transportation, and Statistics. Course Consultants are successful students whom made an A in the course and are endorsed by faculty; they facilitate sessions in one-on-one and

small group settings guiding students through homework problems and difficult course concepts using example problems. Groups of five to seven students work together in small blocks of time throughout the week.

www.tamug.edu/tutoring (<http://www.tamug.edu/tutoring/>)

Disability Services

The Counseling and Career Services office provides services to students with documented disabilities. The office offers information on disabilities, campus services, and related resources. Persons with disabilities are encouraged to apply for services early and to request a meeting to discuss their individual needs prior to registration. Accommodations provided to students are based on individual need. Information regarding disabilities can be obtained through the Counseling, Career and Ability Services, P.O. Box 1675, Galveston, TX 77553-1675, call (409) 740-4736.

Guided Group Study (GGS)

Supplemental Instructors design fun and collaborative study sessions based on course topics to reinforce challenging concepts and strengthen understanding. GGS support is offered for historically difficult courses usually in the first year. These guided group study sessions are taught by successful students whom made an A in the course and are endorsed by faculty. GGS leaders partner with faculty to design active learning sessions and prepare students for exams; these sessions are taught at three diverse times weekly for broad access to all students. Regular attendance throughout the semester helps students stay on track or get ahead, build confidence through critical thinking and problem solving, and meet other students and form study groups.

<http://www.tamug.edu/supplementalinstruction> (<http://www.tamug.edu/supplementalinstruction/>)

Health Services

Texas A&M University at Galveston contracts with the University of Texas Medical Branch (UTMB) Family Medicine clinic for health services for enrolled undergraduate students. Under the contract, office visits to the doctor are free of charge. Medications, inoculations, x-rays, physicals, and other services provided at the clinic may be covered under students' private insurance or at the student's expense. Hospitalization and emergency room visits are full-charge at the student's expense.

Group Insurance

Since there are numerous health needs and costs which are not provided or paid for by Student Health Service, students are strongly encouraged to maintain medical insurance. A group plan is available to all students in the Texas A&M University System. Information about this program will be distributed during new student orientation and are available from the student counseling office. Additional information can be found online at <https://shs.tamu.edu/insurance/>. Students and parents should give careful consideration prior to dropping any current health insurance.

Emergency Medical Transport

Please note that if an ambulance or other emergency transport is called, it is the responsibility of the student to cover any cost incurred; it is not the liability of the University.

Honors Program

Texas A&M University at Galveston Honors Program believes in and promotes student success by motivating and challenging students to

expand their education to a deeper, more enriched, and intellectually stimulating level.

Students in the Galveston Honors Program are encouraged to design an individualized Honors plan of study that could include independent study, research, or a thesis based on the individual student's academic, personal, and professional goals.

Honors Program Eligibility

Invitation into the Galveston Honors Program is open to:

Incoming freshmen with a minimum score of 1250 on the SAT or 28 on the ACT and in the top 10 percent of their graduating high school class, as well as National Merit Finalists, National Achievement Finalists, or National Hispanic Scholars, are automatically admitted into the Texas A&M University at Galveston Honors Program. Incoming students entering Galveston Honors are required to participate in the Honor Experience their 1st semester (Fall) to maintain Honors status.

Continuing students with a cumulative Grade Point Average (GPA) of 3.5 or higher at Texas A&M University will receive an invitation to join Honors Program at the end of each successful semester until they have reached over 90 credit hours.

A 3.5 cumulative GPA is required to remain eligible for participation in the Honors Program.

Honors Program Requirements

The following minimum requirements must be completed for students to receive an Honors designation on their official transcript:

1. A minimum of 18 Honors credits.
2. No more than 6 Honors credit hours can come from the Texas Common Core of Curriculum or Common Body of Knowledge
3. At least 9 Honors credit hours must come from the student's major or minor requirements, can include research, independent study, and/or internships (that are university/department sponsored)
4. Student must take 3 one credit hour Honors seminars

To make progress toward the Honors distinction, Texas A&M University at Galveston Campus students must:

1. Maintain a Texas A&M University GPA of 3.5 and accumulative Honors GPA of at least 3.25.
2. Receive advising toward Galveston Honors distinction each semester
3. Fulfill annual co-curricular participation and service requirements, including at least two Honors Program events each semester.

In the event an Honors student fails to meet any of these requirements, a probationary semester is granted. Continued failure to meet these requirements results in dismissal from the Honors Program.

Honors Program Core Coursework

The following three Honors Seminars are required:

GALV 101 (Connections): Exploration of connections between academic disciplines, including science and the humanities; proposes and engages with "big questions," such as what it means to be human.

GALV 201 (Research Methods): Interdisciplinary research methods and research practices with an emphasis on writing for and presenting to different audiences. GALV 401 (Service Learning): Experiential learning opportunity in which students apply the objectives of the course to

engage with and reflect upon meaningful community service to better understand civic responsibility.

Housing

The Office of Campus Living and Learning coordinates on-campus housing in modern student residence halls. Rooms are double and single occupancy and furnished with beds, desks, chairs, wardrobes or closets, and dressers. Students are expected to furnish pillows, blankets, shower curtains, linens, and cleaning supplies.

Students not enrolled in the Texas A&M Maritime Academy (TAMMA) are required to live on campus until the first Fall semester that they turn the age of 21 (one must be 21 *prior* to the start of the Fall term to qualify). Exceptions may be granted for special circumstances that are listed below.

Permission to live off-campus is typically granted if one of the following circumstances are met:

- The student is married and living with their spouse in the local Galveston area.
- The student is a single parent/guardian and their child resides with them at their local Galveston area residence.
- The student is a veteran of the U.S. Armed Forces (copy of DD-214; not active duty for training only).
- The student will live with a parent/guardian in the Galveston area. (A typed verification letter will be required)
- The student will enroll in 9 credit hours or less for the semester.
- The student has an approved medical accommodation through the Office of Disability Services.

On-campus housing is required for all Cadets enrolled in TAMMA who are under the age of 25 unless they have been granted Victor company status through the Corps of Cadets.

Any student who believes they qualify to live off campus must apply for permission to seek off-campus housing. Approximately 60 percent of the undergraduate students are housed on campus, and returning students are given priority in granting permission to live off campus. Campus residents accepting housing in the fall semester are required to sign a Fall and Spring Semester contract and are not permitted to move off campus for the spring semester. An online application for campus housing, which is separate from the application for admission to the University, is available from the Office of Campus Living & Learning website at www.tamug.edu/CLL (<http://www.tamug.edu/reslife/>). Rooms are assigned in accordance with the date on which the housing application and one-time/non-refundable application fee are received in Financial Management Services. Applicants for Living-Learning Communities (LLC's) are typically assigned first, with windows for students to choose their assignments through the Housing System allocated in blocks based on the date of their applications. Applications received after May 1st may be subject to assignment by Campus Living and Learning professional staff.

Upon admission to the University, students who will be living on campus must submit an application containing a housing agreement and one-time, non-refundable housing application fee to be eligible to receive a Residence Hall Assignment. A waiver for the \$75 non-refundable application fee may be submitted. To do so, the student should submit the housing application with an attached letter stating reasons for the waiver request. In order to be considered, the student must have a FAFSA submitted to TAMUG. The waiver request can be emailed to

CLL@tamug.edu (reslife@tamug.edu) or mailed to TAMUG Campus Living & Learning, P.O. Box 1675, Galveston, TX, 77553-1675.

It is recommended that housing applications be submitted early. In the event that on-campus housing is not available, information concerning off-campus housing will be provided upon request. Since TAMMA Cadets are required to live on campus, Cadets will be able to pursue a license option only if campus housing is available for them.

Housing Costs

The cost of housing for each semester will vary based on the residence hall and room style a student resides in. Visit <https://www.tamug.edu/cll/HousingOptions.html#Pricing> for current costs.

International Student Services

The Office of Student Diversity Initiatives serves as the liaison with the International Student Services Office at Texas A&M University in College Station. Personal counseling, financial planning, liaison with embassies and consulates, legal referrals, academic referrals, immigration matters, orientation programs, and advisement to groups, are among the services offered in collaboration with the Office of Counseling Services, Financial Aid, and International Student Services in College Station, TX.

For more information regarding International Student Services, contact the Office of Student Diversity Initiatives, P.O. Box 1675, Galveston, TX 77553-1675 or call (409) 740-4582.

Library

The Jack K. Williams Library hosts student-centered services and an electronic, print, and archival collection devoted to Marine and Maritime subjects in conjunction with students' courses; the Studio, a multimedia support service; the Writing Lab; a computer lab for resource discovery; equipment checkout; and individual, small group, and large group study spaces. The Library supports learning with research instruction, technology and information discovery tools.

The Library promotes student success by connecting Sea Aggies with information resources in and beyond the Library. In addition, the Library helps students and faculty acquire information literacy skills and promotes inquiry and critical thinking.

The Library also supports the Center for Academic Learning Support through the hosting of academic support spaces for the Writing Lab, Studio, Course Support and small group instruction.

Jack K. Williams Library (<http://www.tamug.edu/library/>)

Parking

Vehicles parked on the Galveston campus are required to display a valid parking permit, except for those parked in designated visitor spaces. When not purchased for the full year, the annual cost of permit is prorated. For more information or to purchase a faculty, staff or student permit, visit <http://www.tamug.edu/police/parking/>.

Vehicles parked in designated visitor spaces must pay for parking either by mobile app, ParkMobile, or at a kiosk located in either in Lot M200 in front of MAIN or in Lot N305 in front of the Sea Aggie Center. While designated visitor parking does not require anything be displayed in the vehicle, the vehicle license plate is recorded as part of the transaction and is used to enforce the visitor parking rules.

Registration and Academic Status

The Texas A&M University at Galveston follows the same guidelines and definitions as the College Station Campus. Registration for the fall and spring semesters is accomplished at several times. During the fall and spring semesters (in November and April), a preregistration period is held for currently enrolled and readmitted students to register for the next semester. There are periods of announced open registration for students who were unable to preregister during the scheduled preregistration period. New Student Conferences serve as an opportunity for new undergraduate students to register. Further information concerning registration may be obtained from the academic calendar published in this catalog or from the Office of the Registrar. The schedule of classes is available online.

Scholarships & Financial Aid

The mission of Scholarships & Financial Aid is to provide students with information and financial resources to attend Texas A&M University at Galveston as well as supporting programs that promote higher education and developmental opportunities. As a part of this promise, we strive to give financial solutions to students at all income levels and with different academic, merit, and leadership qualifications.

Need-based financial aid is designed for students who have financial need, as defined by the Free Application for Federal Student Aid (FAFSA) or other applicable application, in order to assist students in paying college expenses. All financial aid depends on student enrollment and making Satisfactory Academic Progress (SAP), as defined by Scholarships & Financial Aid or the specific aid program.

Financial Aid

Financial aid is available in two forms: Gift Aid and Self-Help

Gift Aid

- Grants (Federal, State, Institutional)
- Scholarships
- Non-resident Tuition Waivers

Self-Help

- Loans (Federal, State, Institutional, Alternative)
- Student Employment (Work Study, Part-time Employment, Internships, Assistantships)

Texas A&M University's packaging philosophy for need-based financial aid is to provide the greatest amount of gift aid to those students with the highest need and to keep loan debt to a minimum. Financial aid is awarded on a first-come, first-served basis with a priority date of January 15, prior to the fall semester for which the student is seeking aid.

To apply for financial aid, a student must submit a Free Application for Federal Student Aid (FAFSA). The FAFSA becomes available on October 1 each year for the next academic year. Students are encouraged to submit their FAFSA online at <https://studentaid.gov/h/apply-for-aid/fafsa> (<https://studentaid.gov/h/apply-for-aid/fafsa/>) by the state priority deadline of January 15. Students who do not meet the citizenship eligibility requirements to complete the FAFSA may be eligible to submit the Texas Application for State Financial Aid (TASFA). Only students who have been accepted to the University, have a FAFSA or TASFA on file, and have turned in all requested items to Scholarships & Financial Aid will be sent a financial aid offer. Financial aid offers for incoming Fall semester students are made early in the prior Spring semester. Award offers for incoming Spring semester students are made late in the prior Fall semester. Financial aid offers to continuing students for the upcoming academic year are made after Spring semester grades

have posted. Summer financial aid is offered to students with a FAFSA or TASFA on file who enroll at least half-time in summer at Texas A&M.

Financial aid offers are made based on full-time enrollment in the Fall and Spring semesters. Cost of attendance and awards will be adjusted for students who are enrolled less than full-time at Texas A&M University. Students may only receive federal financial aid for eligible courses that count toward the student's degree. State and institutional aid are not subject to the same rules. However, the cost of attendance for students will be reduced for courses that are not counting to the program of study, which can result in a lower amount of state and institutional aid a student could receive.

Student questions may be sent to:

Grants

The Federal Pell Grant is available to undergraduate students who have not received a bachelor's degree and who have financial need based on the FAFSA.

The Federal Supplemental Educational Opportunity Grant (FSEOG) and the Texas Public Education Grant (TPEG) are available to students who show financial need based on their financial aid application and when funds are available. These funds are awarded on a first-come, first-served basis.

The Towards EXcellence, Access and Success (TEXAS) grant is available to eligible Texas residents who have a set level of financial need according to the FAFSA/TASFA and have met the program rules; it is also subject to funds availability and eligibility guidelines as defined by the Texas Higher Education Coordinating Board.

Additionally, Texas A&M University provides institutional grant aid to eligible students to assist with educational expenses. Student grants are subject to fund availability and may be single-year or multi-year awards.

Federal/Texas College Work Study Programs

Federal and state programs provide part-time employment for U.S. citizens, permanent residents, and eligible non-citizens, within fund limitations, who have an established financial need and desire on-campus employment.

To qualify for the Federal/Texas College Work Study programs, a student must have submitted a financial aid application, have financial need, be eligible to work in the United States, be enrolled at least half-time or accepted for enrollment, and be making Satisfactory Academic Progress.

All Work Study students are paid minimum wage or higher, work an average of 20 hours per week, and are not eligible for paid holidays, retirement, vacation, nor sick leave.

Loans

Federal Direct Loans are available to students who have submitted a FAFSA. Students will be notified of their eligibility for Direct Loans through a financial aid offer.

Students and parents seeking the Parent Loan for Undergraduate Students (PLUS) may obtain information from the financial aid website. This program requires the FAFSA to be on file with Scholarships & Financial Aid.

Short-term loans are available to provide assistance to students who experience temporary financial difficulties with educationally related expenses. Funding for this program is provided by The Association of Former Students, the Class of 1926, and other University resources. This program is not intended to provide long-term assistance or to replace other assistance available through Scholarships & Financial Aid. Students must be degree-seeking and enrolled at least half-time to be eligible for short-term loans.

The Emergency Tuition and Required Fees loan program is available to help students pay their tuition and required fees. The loan is applied directly to the student's tuition and fee account.

Please refer to our website for detailed information on all of these programs.

Scholarships

Incoming Freshmen Scholarship Programs

- Achievement Scholarships are available to incoming freshmen who attended and graduated from targeted high schools in the State of Texas. Awards are based on academic achievement, leadership ability, and extracurricular participation. For priority consideration, students must complete and submit the ApplyTexas (<http://www.applytexas.org/>) freshmen scholarship application no later than December 1 of their senior year of high school.
- Scholarships are available to incoming freshmen who achieve a minimum 1300 Old SAT composite score (critical reading + math, with respective scores of 600 in each), 1360 New SAT composite score (evidence-based reading and writing score of at least 660 + math scores of at least 620), or 30 ACT composite (English + Math, with scores of at least 27). For priority consideration, students must complete and submit the ApplyTexas (<http://www.applytexas.org/>) freshmen scholarship application no later than December 1 of their senior year of high school.

Continuing Student Scholarships

- The University Scholarship Application is available to students with at least one semester completed at Texas A&M. Awards range in value from \$500 to \$1,500 and are available to undergraduate, graduate, and professional students currently enrolled at Texas A&M. Some awards are limited to certain fields of study and to individuals who have attained a necessary academic classification, while others are unrestricted. Awards are made to outstanding students based on a combination of academic achievement, campus/community involvement, campus leadership roles, and, for some scholarships, financial need. Students are encouraged to complete the application beginning in October via the scholarships website (<https://scholarships.tamu.edu/>). The deadline for submitting applications is February 1, prior to the academic year for which the student will be awarded.

Transfer Student Scholarships

- Aggie Transfer Student scholarships are designed to recognize outstanding students who will be transferring to Texas A&M University at Galveston. Scholarships are awarded based on a combination of academic achievement, extracurricular activities, campus involvement at their current institution, leadership, major and, in some instances, financial need. These award amounts can range from \$500 to \$1,500 and the application is available to students through the ApplyTexas (<http://www.applytexas.org/>) application.

Scholarship Recipients and Non-Resident Tuition Waivers

- The Competitive Scholarship waiver, authorized under Texas Education Code 54.213a, is an optional waiver that institutions can implement. An eligible non-resident student who holds a competitive academic scholarship of a specified minimum dollar amount for the academic year or summer for which the student is enrolled may be eligible to pay the fees and charges required of Texas residents without regard to the length of time the student has resided in Texas. The student must have competed with other students, including Texas residents, for the scholarship and the scholarship must be awarded by a Texas A&M University college or departmental scholarship committee or university representative. An outside donor may be consulted for input by the college or departmental unit; however, outside donor(s) may not make the final selection of the student recipient for a scholarship.
- Effective Fall 2017, undergraduate students must be awarded and maintain competitive scholarships of at least \$4,000 per academic year in order to qualify for this waiver. All graduate students, all professional students, and current undergraduate students with existing and continuing scholarship awards, may continue to receive this waiver at the previous \$1,000 threshold.
- More information is available at <http://scholarships.tamu.edu/Non-Resident-Tuition-Waiver> (<http://scholarships.tamu.edu/Non-Resident-Tuition-Waiver/>)

For additional information on scholarships, please visit <https://scholarships.tamu.edu/> or email scholarships@tamu.edu.

Changes in Status that Impact Financial Assistance

Dropping or Q-dropping a course affects a student's enrollment status.

In turn, enrollment status may impact certain funding sources. The following describes these impacts.

- *Enrollment Status* – A student's enrollment status continues to be adjusted throughout the semester when a student drops or Q-drops a course. Please visit or speak with Scholarships & Financial Aid to determine if dropping a course will have an impact on your financial aid.
- *Health Insurance* – In the past, students often needed to maintain full-time enrollment to continue to be covered under their parents' health insurance policy. With the implementation of the Affordable Care Act (ACA), that is no longer required. A dependent can now be covered under their parents' insurance plan until the age of 26 regardless of their enrollment status as a student.
- *Financial Aid and Scholarships* – Scholarships & Financial Aid will check enrollment status on two occasions – when a student's aid is released to their billing account and on 12th class day of a Fall or Spring semester. A student's aid amount can be adjusted if the student's enrollment status changes between the time funds are

disbursed to the billing account and the 12th class day. However, after the 12th class day, enrollment status is not a factor for aid that has already disbursed and instead any changes in enrollment status will be reviewed through financial aid's Satisfactory Academic Progress standards for subsequent semesters. If aid has not been disbursed prior to the 12th class day, then the enrollment status on the date the aid is disbursed is what matters. In the Summer semester, enrollment status is officially checked on the 5th class day of the Summer session(s) in which the student is enrolled.

- *Student Loan Repayment* – Students must maintain at least half-time enrollment throughout the semester for student loans to remain in an in-school deferred status. Dropping below half-time enrollment will trigger student loans to enter any applicable grace period, with repayment required after the grace period has elapsed. Changes in enrollment status from full-time to half-time have no consequence on student loans. Half-time enrollment for a graduate student is defined as 5 hours and for an undergraduate student it is defined at 6 hours.

Student Activities

It is easy to get involved at Texas A&M University at Galveston, and there are many good reasons to get involved.

As would be expected, student life at TAMUG is often centered around the ocean. Many clubs and sports often involve water, but we have numerous active student organizations including many professional organizations that cover a wide variety of interests. The only question is which organization, or organizations, are right for you?

We follow Aggie traditions such as Yell Practice, Muster, Silver Taps, SALT Camp (Sea Aggies Learning Traditions), The Big Event and the famous Aggie Ring. Students may also get involved with the Student Government Association, the Nautilus (newspaper), or Sea Spray (literary magazine).

As you can see, there are numerous opportunities to enrich your college career by practicing the six core values of Texas A&M University: Excellence, Integrity, Leadership, Loyalty, Respect, and Selfless Service.

Student Affairs

The Division of Student Affairs, Suite 101 in the Seibel Student Services Center, is responsible for the social, moral, and intellectual development of Texas A&M University at Galveston students through their involvement in student organizations, leadership activities, recreational sports, and other co-curricular and extracurricular activities. Student Affairs also oversees Housing, Judicial Services, student diversity initiatives, counseling and career services, and the residence life programs as well as advises student organizations about program planning, university rules, risk management and the function of organizations to students throughout their college career. Furthermore, they allocate funding for eligible student organizations and aid in campus wide events such as Aggie Muster, Maritime Ball, Family Weekend, and Springfest. In addition to providing students an avenue to participate in several club activities, Student Affairs is also responsible for dispersing football tickets and ordering the highly honored Aggie Ring.

The Division of Student Affairs encourages all students to take advantage of the many opportunities available through "the other education" activity programs.

Student Diversity Initiatives

Consistent with the core values of Texas A&M University the mission of the Office of Student Diversity Initiatives at Texas A&M at Galveston (TAMUG) is to provide programs and services that encourage members

of our community to gain a deeper understanding, awareness, and appreciation for their own culture, as well as embracing the dignity of all cultures from our global society. The goals of Student Diversity Initiatives include creating an inclusive community of respect that positively encourages and attracts diverse populations to join and contribute to the university community as a student, faculty, and/or staff member.

Our vision is to be a model of inclusion and cultural competency that empowers holistic student development, transformational learning through inter-cultural dialogue, and collaborative networks that advocates for social justice in a diverse university community. To fulfill the vision, we offer programs and services that:

- Help students articulate their own cultures and impact.
- Describe the values of other cultural perspectives.
- Discuss systems of oppression and privilege.
- Contribute toward a more just and equitable world.
- Advocates and supports students and cultural groups in their identities.
- Collaborates with campus and community entities to ensure a positive university climate that advocates for justice, access, equity, and transformative learning for all students, with a special focus on underserved students.
- Provides student support by building relationships of commitment and trust.
- Provides opportunities for students to develop as leaders by fostering a community of respect and building cross-cultural relationships.
- Provides diversity education and programs that allow dialogue and intersecting discussions regarding age, citizenship, disability/ability, education, ethnicity, gender, gender identity/expression, geographical location, language, military experience, political views, race, religion, sexual orientation, socioeconomic status, and/or thought to aid with developing students' understanding of themselves and other cultures.

It is our mission to serve ALL students, but recognize the need to be especially attentive to the needs of those identifying themselves as African American/Black, Asian/Asian American, Hispanic/Latino(a), LGBTQIA+, Native American/American Indian, Multi-Racial, International, and/or Student Veterans.

The Studio

The Studio aims to support targeted communication and presentation needs for all students, staff, and faculty exploring visual and audio communication mediums. Services include equipment checkout, dedicated audio room, individual and group editing stations, lightboard, green screen, interview station, presentation station, lighting, audio mixing boards, and microphones. The Studio encourages discovery of visual mediums by hosting Adobe Creative Suite software along with additional audio, video, graphic, and story boarding software. Projects are supported by Video and Speech Consultants who assist in the creation and use of media for students and faculty and development of public speaking skills.

www.tamug.edu/hypermedia (<http://www.tamug.edu/hypermedia/>)

Undergraduate Research

Undergraduate Research Services promotes student success by providing high-impact educational experiences and challenges motivated students in all academic disciplines to pursue an enriched, intellectually-stimulating curriculum. The Undergraduate Research programs bring

together outstanding students and faculty to build a community of knowledge-producers, life-long learners, nationally-recognized scholars, and world citizens. Research opportunities are open to all undergraduates and is a collaborative effort between undergraduate students, graduate students, and faculty using an inquiry-based approach to generate new knowledge.

Being involved in undergraduate research allows students to participate in a scholarly community of students with common interests, to learn more about their future professional field, and to develop a close working relationship with acclaimed faculty. Research experiences make students more competitive for scholarships, internships, jobs, international opportunities, and admission to top graduate and professional programs. Perhaps most importantly, engaging in undergraduate research allows students to experience the excitement of working collaboratively to create new knowledge, solve cutting-edge problems, work collaboratively, and communicate more effectively—life skills that are increasingly valued in our world.

Visit www.tamug.edu/undergraduateresearch (<http://www.tamug.edu/undergraduateresearch/>) for more information or to apply.

Undergraduate Research Scholars

The Undergraduate Research Scholars (URS) program seeks to provide eligible undergraduates with a graduate student experience by allowing them to participate in research and communicate their findings as principal authors to the University's scholarly community.

Undergraduates who participate in the Undergraduate Research Scholars (URS) program will ultimately:

- Produce a written undergraduate thesis to be published in the Undergraduate Research Scholars Capstone Collection in the Texas A&M OAKTrust Repository (<http://oaktrust.library.tamu.edu/handle/1969.1/3367/>)
- Make a public presentation
- Gain knowledge that didn't come from a classroom
- Improve their chances for acceptance into graduate or professional schools, fellowships, and grants
- Gain a better understanding of graduate school
- Network with students and faculty

To apply for the Undergraduate Research Scholars (URS) program, students must:

- Be actively involved in an independent undergraduate research project throughout both the fall and spring semesters under the mentorship of a Texas A&M faculty member throughout
- Have completed at least 60 credit hours (junior status) of undergraduate course work
- Have at least 24 credit hours at Texas A&M University
- Have and maintain a cumulative GPA of at least 3.0
- Be expecting to graduate May or later

Aggies Commit to Excellence Scholar (ACES)

The Aggies Commit to Excellence Scholar (ACES) program will fund undergraduates from all majors to engage in high impact learning and research experiences under the mentorship of TAMUG faculty. The purpose of ACES is to empower all students and encourage underserved student populations to engage in research, as well as offer professional and leadership skills development to foster their interest and aptitude towards pursuing a graduate degree.

ACES students will receive a stipend per semester and renewal from the Fall to Spring semester will depend on successful recommendation of the faculty sponsor and demonstration of appropriate progress. Recipients will present project results at the TAMUG Student Research Symposium and/or other professional conference. A maximum of one student application per faculty member will be considered. Selection of students will be based on meeting the eligibility criteria, the quality of the narrative, and letter of support from the Faculty Sponsor.

Louis Stokes Alliance for Minority Participation (LSAMP)

Texas A&M University System Louis Stokes Alliance for Minority Participation, funded by the National Science Foundation, is part of a national initiative to increase the number of underrepresented minority students successfully completing high quality degree programs in Science, Technology, Engineering and Mathematics (STEM) disciplines and to encourage students to matriculate into graduate programs.

LSAMP awardees will receive a personal scholarship. Each student will be expected to participate a minimum of 180 research hours split between the Fall and Spring semesters to present their research results at the TAMUG Student Research Symposium and LSAMP Symposium, and/or other professional conference. A maximum of one student application per faculty member will be considered (under exceptional circumstances such as a collaborative project or a limited number of Faculty Sponsors, more than one student per professor may be considered). Selection of students will be based on meeting the eligibility criteria, the quality of the narrative, and letters of support from the Faculty Sponsor.

Undergraduate Research Ambassador

The Undergraduate Research Ambassadors work to inspire broader engagement in undergraduate research by educating and serving the Texas A&M University at Galveston community. Ambassadors represent LAUNCH at research, recruiting, and outreach events.

To be eligible, the student must:

- Have at least one semester of faculty-mentored undergraduate research experience
- Have at least 60 credit hours (24 hours at TAMUG) and maintain a GPA of 3.0 or higher
- Possess outstanding oral communication skills and describe your undergraduate research to a general audience
- Be willing to serve as a source of information on how to get involved in research
- Provide a letter of support from a Texas A&M faculty mentor

Upon acceptance to program UGR students will be expected to:

- Participate in an all-day orientation and training
- Attend Ambassador meetings

- Participate in at least 10 hours of activities per semester
- Review, interview, and train the incoming class of Ambassadors

University Police

The University Police are responsible for the protection of persons and property of Texas A&M University, and for the enforcement of the laws of the State of Texas and the rules and regulations of Texas A&M University. University police are commissioned peace officers involved in regular foot and vehicle patrol of campus, late-night security escorts, crime prevention programs for the campus community, and criminal investigations for the recovery of property and apprehension of criminals. Officers also provide regular security checks of buildings and property on campus. All members of the campus community are requested to cooperate with University police officers.

Writing Support

Students can meet with peer writing consultants in one-on-one sessions, targeted workshops for course assignments, and in group visits. By making an appointment through Navigate in the Howdy portal, students can ask questions about research and organizing/brainstorming or request a review for revision, editing, formatting, citations, and references. The service is available during any stage of the writing life-cycle and for any written or verbal project. Writing Consultants teach strategies & techniques to improve writing for academic growth, career success, and lifelong learning.

www.tamug.edu/writing (<http://www.tamug.edu/writing/>)

Facilities

Texas A&M University at Galveston Facilities

Classrooms, laboratories and meeting spaces are housed within 23 major buildings on the Mitchell Campus on Pelican Island. The Ocean and Coastal Studies building is the largest and best-equipped marine research facility on the Gulf of Mexico. The Jack K. Williams Library and Learning Commons contains over 60,000 books, museum exhibit space, archives and special collections, group study rooms, a classroom, computer lab, collections services workspace, a media lab, writing center and tutoring spaces. The training ship provides additional classroom, meeting and training space during the school year, and an additional fleet of small boats serve as floating classrooms and research stations. Other buildings include five residence halls, the Aggie Special Events Center (ASEC), the James McCloy Arena and the Mary Moody Northen Student Center, which includes our primary dining facility. The Texas A&M University Galveston Campus has telecommunications systems established to communicate statewide within The Texas A&M University System universities and agencies. The Galveston campus has direct access to the Texas A&M University computer network in College Station via remote job entry connect lines.

Housing applications are available from Texas A&M University Galveston Office of Campus Living and Learning website <http://www.tamug.edu/cll/> and must be completed online with the one-time application fee. Applications can be cancelled or withdrawn by calling the Campus Living and Learning office, (409) 740-4445, or emailing reslife@tamug.edu.

Policies

Texas A&M University at Galveston Policies

University Statement for Individuals with Disabilities

Texas A&M University (TAMU) is committed to maintaining an accessible campus community and providing reasonable accommodations to qualified students, faculty, staff and visitors, including making its web sites accessible and usable. Texas A&M University does not discriminate on the basis of an individual's disability and complies with Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act (ADA) as amended.

Students are protected from discrimination regarding access to and participation in Texas A&M's programs and activities. Texas A&M provides academic adjustments and auxiliary aides to accommodate needs of students with disabilities, as defined under the law, who are otherwise qualified to meet the institution's academic requirements.

Students with disabilities who would like to request accommodations may contact the following:

- Texas A&M University, College of Nursing, Irma Lerma Rangel College of Pharmacy College Station, College of Medicine, and School of Public Health should contact Disability Resources (979) 845-1637 or disability@tamu.edu.
- College of Dentistry should contact the Office of Academic Affairs (214) 828-8978 or bramsey@tamu.edu to request accommodations.
- School of Law should contact the Office of Student Affairs at (817) 212-4020 or rjeffers@law.tamu.edu to request accommodations.
- Irma Lerma Rangel College of Pharmacy in Kingsville should contact the Disability Resource Center at Texas A&M University - Kingsville at (361) 593-3024 or drc.center@tamuk.edu to request accommodations.
- Texas A&M University at Galveston (TAMUG) should contact Counseling, Career and Ability Services at (409) 740-4736 or studentservices@tamug.edu.
- Texas A&M University at Qatar (TAMUQ) should contact the campus psychologist, Dr. Steve Wilson +974-4423-0047 or stephen.wilson@qatar.tamu.edu.

Students with a disability who believe they have experienced discrimination may contact Jennifer Smith, Assistant Vice President and Title IX Coordinator in the Civil Rights and Equity Investigations office, 202 Olsen Blvd., Suite 007, College Station, TX 77843, civilrights@tamu.edu, or at (979) 458-0308. Reported allegations of discrimination will be immediately forwarded to the Office of Civil Rights and Equity Investigations for review, investigation, or resolution.

Students can also contact the Texas A&M ADA Coordinator at ADA.Coordinator@tamu.edu or (979) 845-8115, or any of the following campus contacts:

- Texas A&M University, School of Law, College of Nursing, Irma Lerma Rangel College of Pharmacy College Station, College of Medicine, School of Public Health, College of Dentistry and Irma Lerma Rangel College of Pharmacy in Kingsville should contact the ADA Coordinator at (979) 845-8115 or ADA.Coordinator@tamu.edu.

- Texas A&M University at Galveston should contact the ADA Coordinator at (409) 740-4503 or boyerj@tamug.edu.
- Texas A&M University at Qatar should contact Miguel Trevino at +974-4423-0317 or miguel.trevino@qatar.tamu.edu.

For more information about disability accommodations, see TAMU Student Rule 46, Disability Accommodations in Academic Programs (<http://student-rules.tamu.edu/rule46/>) or TAMUG Student Rule 46, Disability Accommodations in Academic Programs (http://www.tamug.edu/studentrules/Student_Grievance_Procedures/46_Disability_Accommodations.html).

University Statement on Harassment and Discrimination

Texas A&M University is committed to providing a safe and non-discriminatory learning, living, and working environment for all members of the University community. The University provides equal opportunity to all employees, students, applicants for employment or admission, and the public regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, or gender identity. Texas A&M University will promptly and equitably investigate and resolve all complaints of discrimination, harassment (including sexual harassment and sex-based misconduct), and related retaliation in accordance with applicable federal and state laws and University rules and standard administrative procedures.

The University's response to allegations of discrimination, harassment, and related retaliation will be 1) prompt and equitable, 2) intended to stop and prevent the recurrence of any harassment, and 3) intended to remedy its discriminatory effects as appropriate. A substantiated allegation of such conduct will result in disciplinary action, up to and including separation from the University. The University's student sanctioning guidance for substantiated allegations of discrimination on the basis of sex, including sexual harassment, sexual violence and related retaliation, can be found here: Title IX Cumulative Sanctioning Matrix. (<https://titleix.tamu.edu/wp-content/uploads/2019/03/title-ix-sanctioning-matrices.pdf>)

Students who have questions or believe they have experienced discrimination, harassment, sexual harassment/sex-based misconduct, and/or related retaliation are encouraged to contact Jennifer Smith, Assistant Vice President and Title IX Coordinator, at the Medical Sciences Library, Suite 007, 202 Olsen Blvd. College Station, TX 77843. Her telephone number is: (979) 458-8167 and email address is civilrights@tamu.edu. The Title IX website can be found at titleix.tamu.edu (<https://titleix.tamu.edu>).

To report incidents, request accommodations, or inquire about discrimination based on disability, you may contact Peggy Zapalac, ADA Coordinator, at (979) 845-8115 or ADA.Coordinator@tamu.edu. The office address is 750 Agronomy Road, Suite 2101, College Station, TX 77843 or see the ADA website at <https://urc.tamu.edu/ada> (<https://urc.tamu.edu/ada/>). Reported allegations of discrimination will be immediately forwarded to the Office of Civil Rights and Equity Investigations for review, investigation, or resolution.

Aggie Honor Code

Integrity is a fundamental core value of Texas A&M University. Academic integrity requires a commitment by all faculty, students, and administrators to:

- Remain constantly focused on the quality of the academic programs;
- Achieve and maintain academic excellence in all courses and programs to assure the value of Texas A&M University degrees;
- Demand high academic standards from all members of the Aggie community.

All Texas A&M University students, graduate and undergraduate, part-time or full-time, in residence or in distance education, are expected to follow the guiding rule of the Aggie Honor Code:

"An Aggie does not lie, cheat, or steal or tolerate those who do."

Upon accepting admission to Texas A&M University or one of its branch campuses, a student immediately assumes a commitment to uphold the Honor Code, to accept responsibility for learning, and to follow the philosophy and rules of the Honor System. A student will be required to state his/her commitment on examinations, research papers, and other academic work. Ignorance of the rules does not exclude any member of the Texas A&M community from the requirements or the processes of the Honor System.

The Honor System Office is charged with promotion of the honor code and administration of academic misconduct cases. The Honor Council, comprised of students and faculty from colleges and offices across the University, will investigate all such infractions of the honor code and recommend appropriate sanctions. The website, <http://aggiehonor.tamu.edu>, defines the types of infractions and the possible consequences. Students are urged to review this information.

In addition to adherence to the Honor Code, a student (graduate students in particular) who is completing a thesis, record of study, dissertation, and publication may fall under the additional federal requirements promulgated by the Office of Research Integrity (Scientific Misconduct Regulations – 42 CFR part 50), as well as Texas A&M System Regulations and Texas A&M University Rules (Texas A&M System Regulations – Ethics in Research, Scholarship and Creative Work – 15.99.03 (<https://www.tamus.edu/legal/policy/policy-and-regulation-library/>), and Texas A&M University rules and standard administrative procedures – Responsible Conduct in Research and Scholarship – 15.99.03.M1, 15.99.03. M1.01-06 (<http://rules-saps.tamu.edu/TAMURulesAndSAPs.aspx#15>)).

Contact information for each campus can be found at the following:

- Texas A&M University website - <http://aggiehonor.tamu.edu>
- Texas A&M at Galveston website - <http://www.tamug.edu/honorsystem> (<http://www.tamug.edu/honorsystem/>)
- Texas A&M at Qatar website - <https://www.qatar.tamu.edu/students/academic-services/aggie-honor-system> (<https://www.qatar.tamu.edu/students/academic-services/aggie-honor-system/>)

University Student Rules

Each student enrolled at Texas A&M University at Galveston is responsible for being fully acquainted with and complying with the Texas A&M University Student Rules. Specific rules, information and procedures may be found in publications pertaining to each particular service or department. Students are encouraged to reference the website at <http://www.tamug.edu/studentrules> (<http://www.tamug.edu/studentrules/>) for current published rules and regulations.

Fishing Rules

Texas A&M University at Galveston (TAMUG) is an institution of higher education and does not include any public fishing facilities. Due to significant safety and security concerns TAMUG only allows current students, current TAMUG employees and approved guests to fish on property owned or controlled by TAMUG. Approved guests must be accompanied by an affiliated individual, unless otherwise authorized. Fishing is only permitted on the Mitchell Campus on Pelican Island.

1. Guests of affiliated students and employees are permitted to fish as long as the TAMUG student or employee is with them. Employees and students are responsible for the conduct, compliance, safety and actions of their guests. All fishermen are expected to be courteous and respectful at all times.
2. Students and staff may have a reasonable number of guests at any one time.(Campus Police will determine what is reasonable for the situation)
3. Fishermen may only deploy one or two fishing rods at a time, per fishermen. Fishing rods may not be left unattended.
4. All children must be in the immediate care of an adult. Children 12 years old and under must wear an approved USCG flotation device while on TAMUG docks, piers, and beaches, as well as when they are in or near the water. In addition to dangerous drop-offs and currents, equipment and vehicles in the vicinity of authorized fishing areas can pose a danger to unsupervised children.
5. Fishing is not permitted from the dock at any time. Fishing is allowed on the beach, between the dock and the Pelican Island Causeway, or on the fishing pier. The area around the small boat basin is not open for fishing during normal hours of operations or if port operations require it to close temporarily. Open mainly on weekends and holidays.
6. Fishing is allowed at night but may be limited or forbidden during certain times for, training, repairs and/or cruise preparation.
7. No wade fishing is allowed in the oil spill compound, the small boat basin, the Oceanography docks or any areas marked as "No Fishing". Fishing on the Teichman Road campus is strictly limited to affiliated students and employees of TAMUG.
8. All fishermen must have a valid Texas fishing license with a salt water stamp and must present it upon request.
9. No alcoholic beverages, drugs or firearms are allowed on-campus at any time. Anyone found in possession of contraband will be subject to immediate removal and/or citation or arrest.
10. All vehicle operators on-campus must obey traffic signs and directions from University Police officers or University Officials. Vehicles operated on-campus without a valid campus parking hang-tag must be registered with University Police and display a TAMUG parking pass.
11. Vehicles may be parked in campus parking areas with authorized parking permits, obtained from the Campus Police Department. Parking on the docks, the beach area or within fire lanes or any other space which is not a clearly marked parking space, is strictly prohibited. Vehicles in violation of these rules will be cited and subject to tow at the owners expense. Failure to pay parking citations (University cashiers office-SAGC) will result in revocation of fishing authorization for one year from date of violation.
12. No littering. All fishermen are responsible for any trash or debris that they may accumulate while on TAMUG property. Fish cleaning is not allowed at any time on campus property.

13. All rules will be enforced by the Campus Police Department. Anyone who fails to follow the instructions of a Campus Police Officer will be subject to revocation of campus fishing authorization, and/or citation or arrest. All unauthorized individuals will be asked to leave. All fishermen shall be considered "notified" of the rules from posted signs.
14. Texas parks and Wildlife agents frequently check fisherman on campus and notify campus officers if University rules are violated.
15. We reserve the right to investigate all containers left tied to any structure on the TAMUG water front. (anyone that suspects a container may present a problem should immediately call the officer on duty for inspection-409-740-4545) We recommend that all who leave a container in the water make sure it has their name and phone number on it, for verification. Homeland Security rules prohibit containers of any kind to be left near the ship or between the dock and the ship. These containers will be removed and discarded without notification. No ropes, strings or lines of any kind will be fastened to water lines, gas lines, electrical conduit or any other piece of infrastructure on the water front. They will be removed and discarded without notification. Any authorized staff or researcher, who finds any unauthorized containers or fastening in the normal course of their duties may remove and discard such objects without notice. (report to Campus Police at time of removal)
16. The fishing pier, located in the sw corner of campus, is small and can only accommodate a small number of fishermen at any one time. Campus Police may relieve any overload situation by whatever reasonable means are available at the time. Safety is number one.
17. No exception to these rules may be made without the approval of the TAMUG CEO or Executive Vice President or their designee.

Title IX – Sexual Discrimination, Sexual Harassment, Sexual Assault & Violence

"No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance..."

(20 U.S.C. Section 1681)

Notice of Nondiscrimination and Abuse

Texas A&M University at Galveston is committed to providing a safe and non-discriminatory learning, living, and working environment for all members of the University community. The University provides equal opportunity to all employees, students, applicants for employment or admission, and the public regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, or gender identity. Texas A&M University at Galveston will promptly investigate and resolve all complaints of discrimination, harassment (including sexual harassment), and related retaliation in accordance with applicable federal and state laws.

The University's response to allegations of discrimination, harassment, and related retaliation will be 1) prompt and equitable; 2) intended to prevent the recurrence of any harassment; and 3) intended to remedy its discriminatory effects, as appropriate. A substantiated allegation of such conduct will result in disciplinary action, up to and including separation from the University. Visitors, contractors, and third parties who commit discrimination, harassment, retaliation, or complicity may have their

relationships with the University terminated and/or their privileges of being on University premises withdrawn.

Reporting Responsibilities

Any employee who observes or has knowledge of discrimination, harassment, retaliation, or complicity must promptly report all known information about the incident(s) to the University's Designated Official unless they are designated as a "confidential employee" below. Pursuant to state law, the sanction for failure to report an incident of sexual harassment, sexual assault, dating violence, or stalking is termination of employment.

Students who are not employed by the University and non-affiliated members of the public are encouraged, but not required, to report incidents.

Confidential Employees

Certain University employees have been designated as Confidential Employees: licensed health care personnel and licensed counselors when acting in this capacity as part of their official employment. These employees only report de-identified statistics to the Designated Official.

Where to Report an Incident

Designated Official: The University has designated Jennifer Smith, Assistant Vice President and Title IX Coordinator to receive all reports of discrimination, harassment, retaliation and complicity related to a protected class or status. Protected classes or statuses include: race, color, sex, gender identity, age, religion, disability, national origin, immigration status, citizenship status, sexual orientation, genetic information, or veteran status.

To file a report with the University, please contact:

Ms. Jennifer M. Smith, TAMU Assistant Vice President and Title IX Officer

Medical Sciences Library

The Section 504 and ADA Coordinator: For reporting incidents, requesting accommodations, or inquiring about discrimination based on disability, you may contact Jeff Boyer, TAMUG ADA Coordinator at (409) 740-4503 or boyerj@tamug.edu. The office address is 200 Seawolf Parkway, Aggie Special Events Center (Building #3035) Suite 115, Galveston, TX 77554.

Federal Agencies: Inquiries or complaints about discrimination may be directed to the U.S. Equal Employment Opportunity Commission at (800) 669-4000 or to the U.S. Department of Education Office for Civil Rights at (214) 661-9600.

Texas A&M System Hotline (anonymous reporting option available): The Risk, Fraud & Misconduct Hotline at (888) 501-3850 or secure.ethicspoint.com/domain/media/en/gui/19681/index.html

Texas A&M University at Galveston CARE Team (anonymous reporting option available): "Tell Somebody" online reporting at tamug.edu/care/Tell_Somebody.html

Reporting to Law Enforcement

Anyone who has experienced or witnessed discrimination, harassment or related retaliation has the option to file a criminal complaint with the appropriate local law enforcement agency. A complainant will be assisted by campus authorities in reporting to law enforcement authorities, but a complainant may also choose to decline to notify law enforcement.

A report to law enforcement, even to the University Police Department (UPD), is separate from a report to the University. An individual pursues disciplinary remedies through the University and criminal remedies through law enforcement. Disciplinary and criminal remedies may be pursued separately or at the same time. An individual wishing to pursue disciplinary remedies and criminal remedies simultaneously should make a report to both entities.

For emergencies, call 9-1-1. For non-emergencies, contact local law enforcement:

Texas A&M University at Galveston Police Department (409) 740-4545

Galveston Police Department (409) 765-3702

Galveston County Sheriff's Office (409) 766-2300

To Report Abuse or Neglect of Persons Age 65 or Older, Persons with Disabilities, or Minors

State law requires all persons having cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect to *immediately* make a report (even if the belief is premised upon incomplete or dated information) to: any local or state law enforcement agency; the Department of Family and Protective Services (DFPS); the state agency that operates, licenses, certifies, or registers the facility in which the alleged abuse or neglect occurred; or the agency designated by the court to be responsible for the protection of children. Further, all persons having cause to believe that an individual 65 years or

older or a disabled person 18 years of age or older is in the state of abuse, neglect, or exploitation are required to notify the DFPS.

To report abuse or neglect to DFPS contact: The Texas Abuse Hotline at (800) 252-5400 or http://www.dfps.state.tx.us/Contact_Us/report_abuse.asp

Amnesty for Students and Employees

When a student or employee in good faith reports or assists in the investigation of a report of an incident of sexual harassment, sexual assault, dating violence, domestic violence, or stalking, the University will not take disciplinary action against the student or employee for any violations of the University's rules or Codes of Conduct which are reasonably related to the incident reported. The University may, however, investigate to determine whether a report of an incident of sexual harassment, sexual assault, dating violence, domestic violence, or stalking was made in good faith. The amnesty will not apply to a student or employee who reports their own commission or complicity in the commission of sexual harassment, sexual assault, dating violence, domestic violence, or stalking.

Retaliation

Students, faculty and staff are prohibited from retaliating against a person for (1) making a good faith report of a violation of Texas A&M System policies, university rules, student rules, and or/the law; or (2) participating in any proceeding related to the investigation or resolution of such report. Retaliation includes threatening, intimidating, harassing, coercing or any other conduct that would discourage a reasonable person from engaging in activity protected under this policy. Retaliation may be present even where there is a decision of "unsubstantiated," "insufficient information to substantiate," "not responsible" or "not guilty" on the allegations of discrimination, harassment, or related retaliation. Retaliation does not include good faith actions lawfully pursued in response to a report of discrimination, harassment, or related retaliation. Violation of an interim, remedial, or protective measure will be considered retaliation.

False Complaints

Any person who knowingly files a false complaint of discrimination, harassment, complicity or retaliation is subject to disciplinary action, up to and including dismissal or separation from the University. A finding of "unsubstantiated" or "insufficient information to substantiate" does not imply that a complaint was false.

Confidentiality

The confidentiality of a complaint of sexual misconduct and all documents, correspondence, and information collected during an investigation will be maintained by the University on a need-to-know basis to the extent permitted by law.

Rights, Resources, and Options

A student or an employee who is a **victim** of sexual harassment (including sexual misconduct or stalking), domestic violence, or dating violence, whether it occurred on or off-campus, has certain resources, rights and options. Information is available at TAMUG Title IX Resources, Rights, and Options for Individuals Subjected to Sexual Harassment, Sexual Misconduct, Stalking, Domestic Violence, or Dating Violence

A student or an employee who is **accused** of sexual harassment (including sexual misconduct or stalking), domestic violence, or dating violence, whether it occurred on or off-campus, has certain resources, rights and options. Information is available at TAMUG Title IX Resources,

Rights, and Options for Individuals Accused of Sexual Harassment, Sexual Misconduct, Stalking, Domestic Violence, or Dating Violence

For additional information concerning federal and state policies, please reference the appendices (<http://catalog.tamu.edu/undergraduate/appendices/>) in this catalog.
