| Jeniester Orealt Hours   | 16 |

Indicates required courses in the Marine Biology major. These courses will be used to compute the major GPR.

A grade of C or better is required before advancing to upper level courses.

3 14 credit hours of marine biology electives selected from the following: BIOL 351; FSCI 360, MARB 300-499 (http://catalog.tamu.edu/undergraduate/course-descriptions/marb/); MARS 305, MARS 325. Students can only select 2 mammals courses (MARB 400, MARB 401, MARB 403, or MARB 407).

Designated writing intensive course.

All electives must be chosen in consultation with, and approved by, the student's academic advisor. Unless courses are specifically listed, see University Core Curriculum for a listing of course options for Communication; Mathematics; Life and Physical Sciences; Language, Philosophy and Culture; Creative Arts; American History; Government and Political Sciences; and Social and Behavioral Sciences. The 3-hour University Core Curriculum requirement for International and Cultural Diversity may be met with courses used to satisfy other degree requirements. The 3-hour University Core Curriculum requirement for Cultural Discourse may be met with courses used to satisfy other degree requirements. Up to 4 hours of MARB 491 and/or MARB 484 may be used as marine biology elective courses in your curriculum. Please consult with your academic advisor.
