

UNIVERSITY STUDIES PROGRAMS

The College of Marine Sciences and Maritime Studies offers degrees in University Studies. A University Studies degree differs from a traditional “major” in that it consists of a concentration and two minors of 15-18 hours each. The University Studies degree format was created to provide students the flexibility to combine areas of study that are of special interest.

Majors

- Bachelor of Science in University Studies, Oceans and One Health Concentration (<http://catalog.tamu.edu/undergraduate/galveston/marine-sciences-maritime-studies/university-studies/oceans-one-health-university-studies-bs/>)
