

GEOGRAPHY - MINOR

Geography explores the relationships between people and their environment, which vary from place to place over the Earth. Geographers compare and quantify the drivers of the variable and changing character of Earth's systems, which have been transformed into human habitat and are thus being changed by humans. Geography coursework for the minor integrates physical sciences, social sciences, and the humanities.

Program Requirements

Code	Title	Semester Credit Hours
GEOG 201	Introduction to Human Geography	3
GEOG 203 & GEOG 213	Planet Earth and Planet Earth Lab	4
Select one of the following:		3
400-level GEOG course (http://catalog.tamu.edu/undergraduate/course-descriptions/geog/)		
Electives		6
Select from the following:		
GEOG 202	Geography of the Global Village

Total Semester Credit Hours		16

The selection of courses must be made in agreement with the geography department advisor for minor programs.

Minimum GPA of 2.000 must be maintained in the minor coursework. 6 hours must be upper division courses, 3 of which must be at the 400-level.

General Requirements

1. Geography Minor: minimum of 16 credits in the discipline with at least 6 hours in upper-division courses, 3 hours of which must be at the 400 level.
2. Minimum of 6 credits must be taken in residence at either Texas A&M University or Texas A&M at Galveston.
3. Students must meet with the department's advisor for minor programs for approval of courses selected (any substitutions must be approved by the department head).
4. Minimum cumulative GPR of 2.0 must be achieved for all courses in the minor.
