INTERNATIONAL STUDIES
- BA, INTERNATIONAL COMMERCE TRACK

The BA in International Studies (INTS) is an interdisciplinary degree that combines linguistic and regional expertise, with specialization in a sub-field specific to the track.

International Commerce Track

The International Commerce track combines a basic set of courses in business practice with a broader set of courses in international economic and social theory. Students choose their coursework from a list that spans multiple colleges across the university. It provides students with a well-developed understanding of the interconnectedness of global commercial systems.

Principle objectives
1. To guide students through the complex cultural, social, political, and economic stakes of global interdependence.
2. To assure a measurable proficiency in a foreign language.
3. To assure regional cultural competency through a structured and integrated abroad experience.
4. To provide a historical dimension to current conceptions of globalization.

Curriculum

The degree plan consists of a combination of INTS core courses, with electives tailored for each track, area studies courses in the region corresponding to the student’s foreign language choice, foreign language courses, and at least one long semester or 10-week summer study abroad or other approved international program with an emphasis on cultural and linguistic immersion.

additional 6 hours of a foreign language through the advanced level.
If you choose to enroll in a language you have studied previously without
receiving college credit, you must first take a placement test. See the
Foreign Language paragraph.
2 At least 3 hours must be in MATH. Three hours may be PHIL 240.
3 Select six (6) courses from at least two departments. Not all courses
will be offered every semester. See academic advisor. Students must
select three (3) courses from each of the following lists.
   • Basics of Commerce: ACCT 209; AGEC 105; COMM 354; ECON 203;
     FINC 409; HMGT 201; ISTM 209; MGMT 209, MGMT 309;

4 The course will be used to track student’s completion of the
International Experience Requirement (see paragraph below).
5 Select courses from an approved list on the INTS website in
consultation with an advisor. Courses numbered 485 or 489 that
contain significant international content can be taken in any
department to meet part of the track or area requirement. Students
must obtain International Studies advisor approval before taking the

degree-information/international-cultural-diversity-requirements/)
courses and 3 hours of Cultural Discourse (http://catalog.tamu.edu/
undergraduate/general-information/degree-information/cultural-
discourse-requirements/) courses. A course satisfying a core category, a
college/department requirement, or a free elective can be used to satisfy
this requirement. The required 6 hours may be met by courses satisfying
other areas of a degree program. See your academic advisor for further
information.

Students entering International Studies take a placement exam to
determine the level of and number of required foreign language courses.
Exam results may fulfill a maximum of 14 semester credit hours.

   • Students placed in 101 will take 101, 102, 201 and 202 and 6
     semester credit hours at the 300- or 400-level.
   • Students placed in 102 will take 102, 201 and 202 and 6 semester
     credit hours at the 300- or 400-level.
   • Students placed in 201 will take 201 and 202 and 6 semester
     credit hours at the 300- or 400-level.
   • Students placed in 202 will take 202 and 6 semester credit hours at the 300- or 400-level.
