| Total Semester Credit Hours | 120 |

1. Students completing a Bachelor of Arts in the Bush School are required to complete 14 hours of a foreign language through the intermediate level. Students in International Affairs are required to complete an additional 6 hours of a foreign language through the advanced level. If you choose to enroll in a language you have studied previously without receiving college credit, you must first take a placement test. See the Foreign Language paragraph.

2. At least 3 hours must be in MATH. Three hours may be PHIL 240.

3. Select six (6) courses from at least two departments. Not all courses will be offered every semester. See academic advisor. Students must select three (3) courses from each of the following lists.
   - Basics of Commerce: ACCT 209; AGEC 105; COMM 354; ECON 203; FINC 409; HMGT 201; ISTM 209; MGMT 209, MGMT 309; MKTG 409.
   - International Setting: ARCH 458; AGEC 452; ECON 320, ECON 330, ECON 425; GEOG 304; HMGT 302, HMGT 426; INTA 301, INTA 484; SOCI 206, SOCI 328.

4. The course will be used to track student’s completion of the International Experience Requirement (see paragraph below).

5. Select courses from an approved list on the INTS website in consultation with an advisor. Courses numbered 485 or 489 that contain significant international content can be taken in any department to meet part of the track or area requirement. Students must obtain International Studies advisor approval before taking the 485 or 489 course.

Graduation requirements include 3 hours of International and Cultural Diversity (http://catalog.tamu.edu/undergraduate/general-information/degree-information/international-cultural-diversity-requirements/) courses and 3 hours of Cultural Discourse (http://catalog.tamu.edu/undergraduate/general-information/degree-information/cultural-discourse-requirements/) courses. A course satisfying a core category, a college/department requirement, or a free elective can be used to satisfy this requirement. The required 6 hours may be met by courses satisfying other areas of a degree program. See your academic advisor for further information.

**International Experience Requirements**

The International Experience must generate at least 3 hours of Texas A&M University credit. Departmental approval is required before travel. Any international experience that does not meet these criteria will not count toward the degree.

- Must be at least one long semester or one 10-week summer approved experience.
- Must be taken after completion of 100- and 200-level language requirement and INTA 201.
- Must be completed before student is eligible to enroll in INTA 481, INTA 491 or INTA 497.
- Must be an immersion experience in the foreign culture and language, which can be satisfied by:
  - An internship at a company, government agency or non-profit operation involving significant use of the foreign language. Three hours of INTA 484 elective credit can be given.
  - Courses taken at a foreign university. Courses may count for Texas A&M University credit with approval of the advisor of the relevant department. These courses cannot apply to the International Studies core. One course must be taken in the foreign language at the 300- or 400-level.
  - Selected Texas A&M University Study Abroad programs which involve intensive cultural and language immersion.
  - A combination of the above to equal the requirement of a long semester or a 10-week summer-approved experience.
- Must be taken outside of the student’s country of origin.
- Must be taken in one foreign country that matches with the foreign language and the area study requirement unless approved by the department head before travel.

Other courses may qualify for the college, university requirements categories. Students should consult the approved list of courses available in the International Studies Degree Program Office. The list incorporates University Core Curriculum requirements. No course can be counted in more than one category, except as allowed in the International and Cultural Diversity and Cultural Discourse Graduation requirement.
