

# INTERNATIONAL STUDIES - BA, INTERNATIONAL COMMUNICATION AND MEDIA TRACK

The BA in International Studies (INTS) is an interdisciplinary degree that combines linguistic and regional expertise, with specialization in a sub-field specific to the track.

## International Communication and Media Track

This track offers a discrete set of courses that provide students with a strong background in how media function in a global setting. As one of the largest sectors of the American and global economy, communication and media occupy a major role in our private and professional lives. Moreover, this sector of the economy often functions transnationally in a relatively seamless fashion.

## Principle objectives

1. To guide students through the complex cultural, social, political, and economic stakes of global interdependence.
2. To assure a measurable proficiency in a foreign language.
3. To assure regional cultural competency through a structured and integrated abroad experience.
4. To provide a historical dimension to current conceptions of globalization.

## Curriculum

The degree plan consists of a combination of INTS core courses, with electives tailored for each track, area studies courses in the region corresponding to the student's foreign language choice, foreign language courses, and at least one long semester or 10-week summer study abroad or other approved international program with an emphasis on cultural and linguistic immersion.

<sup>4</sup> The course will be used to track student's completion of the International Experience Requirement (see paragraph below).

<sup>5</sup> Select courses from an approved list on the INTS website in consultation with an advisor. Courses numbered 485 or 489 that contain significant international content can be taken in any department to meet part of the track or area requirement. Students must obtain International Studies advisor approval before taking the 485 or 489 course.

Graduation requirements include 3 hours of International and Cultural Diversity (<http://catalog.tamu.edu/undergraduate/general-information/degree-information/international-cultural-diversity-requirements/>) courses and 3 hours of Cultural Discourse (<http://catalog.tamu.edu/undergraduate/general-information/degree-information/cultural-discourse-requirements/>) courses. A course satisfying a core category, a college/department requirement, or a free elective can be used to satisfy this requirement. The required 6 hours may be met by courses satisfying other areas of a degree program. See your academic advisor for further information.

**Foreign Language**

Students entering International Studies take a placement exam to determine the level of and number of required foreign language courses. Exam results may fulfill a maximum of 14 semester credit hours.

- Students placed in 101 will take 101, 102, 201 and 202 and 6 semester credit hours at the 300- or 400-level.
- Students placed in 102 will take 102, 201 and 202 and 6 semester credit hours at the 300- or 400-level.
- Students placed in 201 will take 201 and 202 and 6 semester credit hours at the 300- or 400-level.

**International Experience Requirements**

The International Experience must generate at least 3 hours of Texas A&M University credit. Departmental approval is required before travel.

**Any international experience that does not meet these criteria will not count toward the degree.**
