Core Curriculum courses are listed on the University Core Curriculum (http://catalog.tamu.edu/undergraduate/general-information/ university-core-curriculum/) page. STAT 201 is recommended to fulfill 3 hours of Mathematics but is not required.

16

- 2 Indicates Nursing Science Course.
- These courses may be taken at a community college but must be completed by the first day at the School of Nursing. Students may elect to place these courses anywhere in their schedule, though it is encouraged that these be completed over the summer.
- Texas common courses BIOL 2401 and 2402 taken at any Texas accredited public institution will meet the requirement for BIOL 319 and BIOL 320.

BSN students must make a minimum grade of C in all courses.

Foreign Language

Proficiency in a foreign language is required. This can be met by taking two years of the same language in high school or college credit.

Prerequisite Courses

Prerequisites may be planned or in progress during the application cycle, but must be completed with a grade of C or better before the program start date. The courses may be completed at any regionally accredited college or university
